DEPARTMENT OF MATHEMATICS

SRI CHANDRASEKHARENDRA SARASWATHIVISWA MAHAVIDYALAYA
(University u/s 3 of UGC act 1956, Accredited with "B" Grade by NAAC)
ENATHUR, KANCHIPURAM - 631 561.

First Edition : 2016

Printed at : SCSVMV University Press

ISBN :

ACKNOWLEDGEMENTS

The authors thank Honorable Chancellor Prof. Dr. S. Jayarama Reddy, Honorable Vice-Chancellor Prof. Dr. V.S. Vishnu Potty, Registrar Prof. Dr. G. Srinivasu, Dean (Science) Prof. Dr. A. Jayalakshmi of Sri Chandrasekharendra Saraswathi Viswa Mahavidyalaya for sustained support and benevolence.

The authors thank Prof. Dr. A. Jayalakshmi, Dean (science) and Head of Mathematics, SCSVMV University for going through the draft of the book and for their suggestions and for permitting us to use the resources in the Departments.

The authors thank their administration for providing all the essential facilities for preparing this book and for constant encouragement.

The authors are grateful to the editorial team and typesetting staff, University Press, Kancheepuram for bringing out this book with great interest and quality.

The authors thank their family members for their moral support.

Authors

Contents

I. Introduction (Calculating Machines)

1. The uses of an electronic calculator
2. Important notes on the use of a calculator
3. Some special problems in using the calculator
4. Magic Calculator
5. Least Common Multiple

II. Formulae

III. Solved Examples

6. Logarithms
7. Partial Fractions
8. Arithmetic Progressions
9. Geometric Progressions
10. Binomial Series
11. Limiting Values
12. Trigonometry
13. Matrices
14. Boolean algebra and switching circuits
15. Differentiations
16. Partial Differentiation
17. Integrals
18. Probability
