Ayodhya is one of the seven *Mokshapuris*. There is no doubt that the incarnation of Dasaratha's son Sri Rama took place at Ayodhya. Sri Rama had traversed all the way from Ayodhya up to Sri Lanka. We are happy to learn that Dr. Sitharam Gurumurthi, after doing certain amount of research regarding the route taken by Sri Rama from Ayodhya to Sri Lanka on the basis of the names of the places, available historical evidence and the events which are reported to have taken place, has brought out the book *Ramayana Temples* along with a number of photographs. The story of Sri Rama is like an ocean. As it is not possible to fathom all the nature and nuances of the ocean, it is equally not possible to bring out the ocean of *Ramayana* in full. We give our blessings to the continued success of this endeavour.

Narayana Smruthi
