School of Education

Practice Teaching Program (24.12.2015 to 31.12.2015)

Practice teaching commenced on 24th December 2015 in the School of Education as a part of practical training and exposure to macro teaching to the students of 2015-17 batch. The student teachers were taking 30 minutes practice teaching under the supervision of the members of faculties. Each student teacher takes three practice teaching classes for each optional comprising 30 minutes. The supervisors Mr. K Uma Giridhar, Mr. T Arun Christopher, Mr. R Saravanan, Mr. A Vasudevan, & Mr. S Ethiraj evaluated the performance taking into account the lesson plan, TLM and their performance in practice teaching assiduously and awards the marks. It lasts upto 31.12.2015. This simulative teaching is an innovative practice in the School of Education which provides complete, comprehensive teaching exposure for all the students in the premises. It is a preparatory stage of teaching practice enhancing the professional competencies of the student-teachers
