**Report of the Industrial visit to CSIR – CLRI, Adyar, Chennai on 29.08.2018**

41 students of B.E. (ECE) - Third Year [C-Section] visited **CSIR-CLRI, Adyar, Chennai** on **29.08.2018**.

The following faculty accompanied the Students for the Industrial Visit,

1. Smt. M.A.Archana, Assistant Professor, ECE
2. Shri. L.Sathish Kumar, Assistant Professor, ECE
3. Shri. J.Vinoth Kumar, Assistant Professor, ECE

The following are the Highlights of the visit

- Students witnessed CSIR-CLRI Labs – Leather Processing Unit from Scratch to Product Output Design, Waterless Chrome Tanning, Computer Aided Industrial Design lab, Leather Stitching Unit and Product Lounge.
- Students got exposure towards leather processing technology and applications of Image Processing in that field to differentiate the quality of leather.

The visit was a Knowledge gaining platform for students in Image Processing, Computer Aided Industrial Design, and Leather Processing Technology. Feedback from students about the visit was very good and the Students very well welcomed Industrial Visit.
