

# SRI CHANDRASEKHARENDRA SARASWATHI VISWA MAHA VIDYALAYA

Department of Electronics and Communication Engineering

Short Term course on

**"TOOLS FOR ENGINEERING RESEARCH"**

**30.01.2017 to 03.02.2017**

The Department of Electronics and Communication Engineering organizes short term course jointly in association with National Institute of Technical Teachers Training and Research-Chandigarh on the topic **"TOOLS FOR ENGINEERING RESEARCH"** from 30.01.2017 to 03.02.2017 at ECE Seminar Hall, First Floor, IT Block, SCSVMV University.

The objective of the course is to update the knowledge in the emerging and upcoming topics of research and introduce them to various tools that can help the researches to improve their research and problem solving skills and to make the teachers aware of the various research techniques in Engineering.

The course contents are Ethics in Scientific Research, Design of Experiments, Data processing and Statistical Analysis, Technical Writing and Mendeley software, Introduction to MATLAB/ SIMULINK for modeling engineering problems, Hardware validation for MATLAB/ SIMULINK models using Arduino, dSpace and opal-RT.

There is No Course Fee.

No TA/DA/ Accommodation will be provided.
