Sub: Minutes Two days workshop on Network Simulator 2(NS-2) organized in ECE department on 07.08.2015 and 08.03.2015 –Reg.

Ref: F/SCSVMV/REG/ECE/2014-15 dated 13.02.2015

1. Two days workshop on Network Simulator 2(NS-2) was organized on 07.08.2015(Saturday) and 08.03.2015(Sunday) at ECE mega seminar hall, IT block, SCSVMV University, Kancheepuram.

2. 50 Students from II/III Year ECE has participated in the workshop. Name list of the students is enclosed.

.

3. Mrs.S.Anjali,Managing Director, SAT Infosys, Coimbatore, was the resource person

- Course Content : Introduction to NS2 , Basic architecture, convection directives, Running NS2 simulation, Main NS2 Simulation steps , Wireless lab – Simulation configuration, Physical layer, Protocol Comparison, TCP, Adding New Agent C++, Lab MAC layer, Theory Development new module for NS2, and Routing Techniques.
- Course Duration : 8 Hrs / day
- Course Schedule : 9.30AM to 5.30PM
- Teaching Learning Process : Through Laptop,ICT Technology

4. Open oral Feedback from students was arranged. Written feedback was obtained from Ten participants.

5. Settlement of accounts

Amount collected from students ₹ 320/person ₹ 16000/-
Amount paid to resource person ₹ 320/person ₹ 16000/-
Balance Nil

6. Outcome of the workshop

a) The workshop helped the students to understand the basics of NS2 one of the Powerful software used in Wireless Communications.

b) This workshop will help students to do projects based on Wireless Sensor Network, ADHOC Network and also it will help the students in getting job placements in Communication core companies.
