Two days workshop on “Real Time PCB Design and Tools” organized in ECE Department on 11.09.2017 and 12.09.2017

Two days workshop was organized on 11/09/2017 and 12/09/2017, at ECE mega seminar hall, SCSVMV University, Kancheepuram. 64 Students from II Year ECE has participated in the workshop. Participation certificate was issued to the participants. Oral feedback was obtained from participants.

Outcome of the workshop

- ❖ The workshop helped the students to understand the basics PCB design.
- ❖ This workshop will help students to do projects based on Electronic Circuits; also will help the students in getting placements in Electronics core companies.
