ABOUT THE DEPARTMENT

The Department of Electrical and Electronics Engineering at SCSVMV UNIVERSITY is as old as the Institute itself. Its impact on the Institute and on society is easily demonstrated by noting the alignment of the department's evolution with key events and academic advances in the University. Today, the Department of Electrical and Electronics Engineering of SCSVMV UNIVERSITY attracts and features an extraordinary rich diversity and quantity of talented individuals, with nearly 500+ Under Graduates, 30+ Post Graduate students from all over India with over 25 faculty members. The impressive array of students makes the department as one of the largest in the University.

The Department provides the broad knowledge base required for engineers in present global industrial scenario. The main focus is concentrating on the significant modern developments in the electrical and electronics engineering. The Department Offers UG, PG and Research programs as Full time and Part time degrees in Electrical and Electronics Engineering, Power Systems, Power Electronics & Drives. The Part time courses are developed with a focus on working Employees in Engineering Colleges, Universities and Industries.

COURSE FACULTY

Lectures will be delivered by experts from Top Universities/ Industries / Research Institutions.

ELIGIBILITY FOR PARTICIPATION

Faculty from all Universities and Engineering institutions, PG and Research Scholars can also participate and benefitted from the Programme.

DATES TO REMEMBER

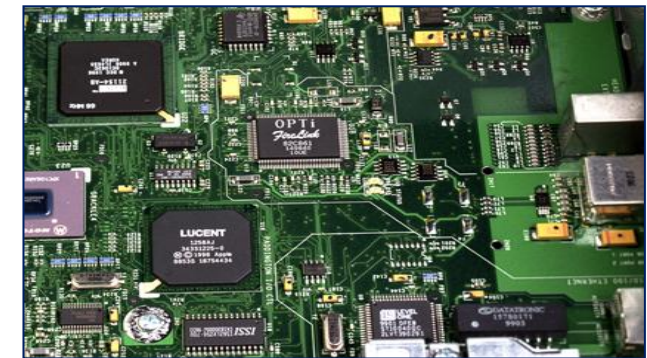

- Last Date for Registration : 29-09-2014
- Confirmation to Participants : 06-10-2014

One Day National Level Workshop On

Modeling and Hardware Implementation of Power Electronics Application

11 October 2014

Organized by

**Department of Electrical and Electronics
Engineering**

Coordinators

R.Jayanthi - V.Malathi

Assistant professors – Department of EEE

**Sri Chandrasekharendra Saraswathi Viswa
Mahavidyalaya**

(University established Under Section 3 of UGC Act 1953)

Enathur, Kancheepuram-631561, Tamil Nadu

ABOUT THE PROGRAMME

The workshop on **“Modeling and Hardware Implementation of Power Electronics Application”** is intended to provide basic knowledge in Application of Power Electronics and its utilization in Power Converters. Also a session, covers with practical solutions to hardware implementation using PSIM Software.

On Successful completion of the course, certificates will be given to all the participants. We hope that the teaching, learning process will be greatly enriched for attendees by attending this workshop.

SPEAKERS

Sri.E.RAJASEKAR,

Director Technical,

Raana Power Solutions Ltd. – Bangalore.

Sri.B.NAGASUDHAN,

Manager Technical,

Raana Power Solutions Ltd. – Bangalore.

REGISTRATION FEE

Rs.300/- for all the participants.

The fee should be sent by D.D. in favor of **YANTRA**, Payable at **Indian Bank, Sri Sankara Arts and Science College, Enathur.**

The fee includes course materials, refreshments and lunch. No traveling or other allowance will be provided for the participants.

ABOUT THE INSTITUTION

The Maha Periyava of Sri Kanchi Kamakoti Peetam had cherished a desire to revive Kancheepuram to its pristine glory as a center of learning. The Viswa Mahavidyalaya at Kanchi was established with the benign Blessings of Their Holiness Pujya Sri Jayendra Saraswathi Swamigal and Pujya Sri Sankara Vijayendra Saraswathi Swamigal and it attained the status of Deemed University in 1993.

Sri Chandrasekharendra Saraswathi Viswa Maha vidyalaya, formed under the aegis of Sri Kanchi Kamakoti Peetam Charitable Trust in 1993, is located in a sprawling complex of 50 acres at Enathur, at a distance of about 4 Kilometres from Kancheepuram.

The University has a campus in Poonamalle, Chennai, housing an ayurveda College, research centre and hospital. The University has a unique focus on integrating traditional knowledge with modern scientific practices with a global outlook. The university envisages a culture that is characterized by excellent faculty-student interaction and prevalence of 'one family' atmosphere. The emphasis is not on mere acquisition of knowledge and its application but on the all-round personality development of the student and his value system. Education is viewed not as accumulation of ideas, but as a process of channelising them to perfection, leading to proper development of the faculties of the student and hence life making. One of the Varsities objectives is to develop a cadre of world-class professionals, who have acquired the competencies for global employment in different disciplines.

LOCATION

The Institution is located in a serene and eco-friendly environment at a distance of 4 Kms from the Temple City, Kancheepuram, Tamil Nadu, India. The Kancheepuram Silk is the famous all over the World. University is about 75 kms from the Chennai. The place also offers a blend of cultural diversity in harmony. Nearest railway station is Kancheepuram.
