### **Notification for Publication of Results for Students other than Final Years**

It was initially planned to conduct examinations for all students of all years in the month of July 2020 in accordance with “UGC Guidelines on Examinations and Academic Calendar for the Universities in View of COVID-19 and Subsequent Lockdown dated 29.04.2020”.

But in accordance with UGC Revised Guidelines on Examinations and Academic Calendar for the Universities in view of COVID-19 Pandemic dated 06.07.2020 and considering the decision of the State Government of Tamil Nadu on promoting college students in accordance with UGC recent guidelines, the authorities of SCSVMV Deemed University have decided to implement the following with respect to students other than final year students:

- For final year students grading will be based on online examinations
- For students (other than final year students), grading will be the composite of **\*\*70% marks on the basis of internal marks and the remaining 30% on the basis of performance in previous semester** (the CGPA up to the previous semester will be converted into percentage using the approved formula and will be distributed equally to all current regular papers).
- If the student wishes to improve the grades, he / she may appear in special exams for such subjects after reopening of the university
- This does not apply to arrears examinations of students other than final years which will be conducted after reopening of university
- This provision for intermediate semester examinations is only for the current academic session (2019-20) in view of COVID-19 pandemic
