

Outreach activities – 2017

Dr. T.N. Kavitha and Dr. A. Dhanalakshmi, Asst.Prof.of Mathematics acted as resource persons to motivate the students and enhance their marks in Mathematics and make courage to face the examinations in Government High School, Thirukkalimedu, Kanchipuram on 01.03.2017. Forty three students were motivated.

Dr. T.N.Kavitha, Asst. Prof. of Mathematics delivered a lecture on 'Group theory and some equivalent definition of a Group' in the state level seminar on 'Current Analyses in Mathematics' on 13.03.2017, organized by the Department of Mathematics, Sri Sankara Arts and Science College (SSASC), Enathur, Kanchipuram. All UG and PG students of that college attended the program.

Dr.J.Sengamalaselvi, Asst.Prof.of Mathematics, delivered a guest lecture on “Two Dimensional and three dimensional graphical representation through Visualmath” on 22.03.2017 at the Government Arts and Science college, Uthiramerur. Hundred students actively participated in the program. Hand book on Geogebra is distributed to the participants. Hands on training was given to visualize the dimensions in the graphical representation of Analytical Geometry.
