Department of Mechanical Engineering

One day National Workshop on **Differential Evolution Algorithm for Optimization (DEAO-2016)**

A one day National Workshop on Differential Evolution Algorithm for Optimization (DEAO-2016) was organized by the Department of Mechanical Engineering on **2nd September 2016**. Around **100nos** of participants were participated in the workshop. The workshop covered the various topics such as

- Optimization Techniques
- DE Algorithm
- MODE Algorithm
- Hands on Practice

Resource persons

1. **Dr. T. Rajmohan,**
Head, Department of Mechanical Engineering, SCSVMV University
2. **Dr. A. Tamilarasan,**
Asst. Prof., Department of Mechanical Engineering, SCSVMV University

The speakers were made substantial contributions in various aspects like highlights of advances in nature inspired algorithms for optimization and their applications. Finally, the workshop gave an innovative ideas and providing new pathway for the researchers and students who are new to the optimization field. Finally, the event was highly appreciated and found fruitful by the participants.

Coordinators

- Dr. A. Tamilarasan,** Assistant Professor
Mr. R. Balakumar, Assistant Professor
