

Internship Day 2021

Sri Chandrashekharendra Saraswathi Viswa Mahavidyalaya

is participating in Internship Day 2021 - an initiative to honor colleges with the best internship record in India this summer.

Every student selected for an internship from our college through Internshala would help us move closer to winning prestigious and nationally recognized awards.

I encourage all students to start their summer internship journey through Internshala.

All the best!

Prof. Gokulakrishnan S
