Department of Electronics and Communication Engineering

Report for Awareness Program on "Global warning"

- ❖ The awareness Program on "global warning" for engineering students was held on 18/10/2021 at 02.30 P.M. through Google meet (Online mode).
- ❖ 74 students of engineering first year had participated.
- ❖ Mrs.R.Sumathi, Assistant professor civil engineering department was the resource person for the program.
- ❖ Dr.S.Vijayaraghavan, Assistant Professor Co-ordinates the program.
- ❖ . The following Points were discussed,
 - ❖ Different energy sources
 - ❖ Need to focus on climate change
 - ❖ RPR(Reduce-reuse-recycle)
 - ❖ Go green initiative (GGI)

Speaker addressing the Gathering

Prof. V. Swaminathan
HOD/ECE

Report for Drawing competition on “Global warning”

- ❖ The Drawing completion on “global warning” for engineering students was held on 30/10/2021 at 02.30 P.M. through Google meet (Online mode).
- ❖ 45 students of engineering first year had participated.
- ❖ Dr.S.Vijayaraghavan, Assistant Professor Co-ordinates the program.

RESULTS OF DRWAING COMPETITION

Drawing Competition was conducted with the theme “Greenhouse Effect and Global Climate Change”. The participation was appreciable. The students have shared their views on protection the Earth from pollution of various forms. The ideas represented are catchy and appealing. The winners of the event are:

- | | |
|--|-------------------------|
| 1. Ms. Davu Manasa | – 1 st Prize |
| 2. Ms. Menta Sai Vaishnavi | – 2 nd Prize |
| 3. Ms Kallamraju Sree Laasya & Sanaka Lalithya | – 3 rd Prize |

Report for Awareness Program on “Electric Vehicle”

- The awareness Program on “Electric Vehicle” for engineering students was held on 20/10/2021 at 10.00 A.M. through Google meet (Online mode).
- 72 students of engineering first year had participated.
- Dr.S.Senthamizselvan, Associate professor Electrical department was the resource person for the program.
- Dr.S.Vijayaraghavan, Assistant Professor Co-ordinates the program.

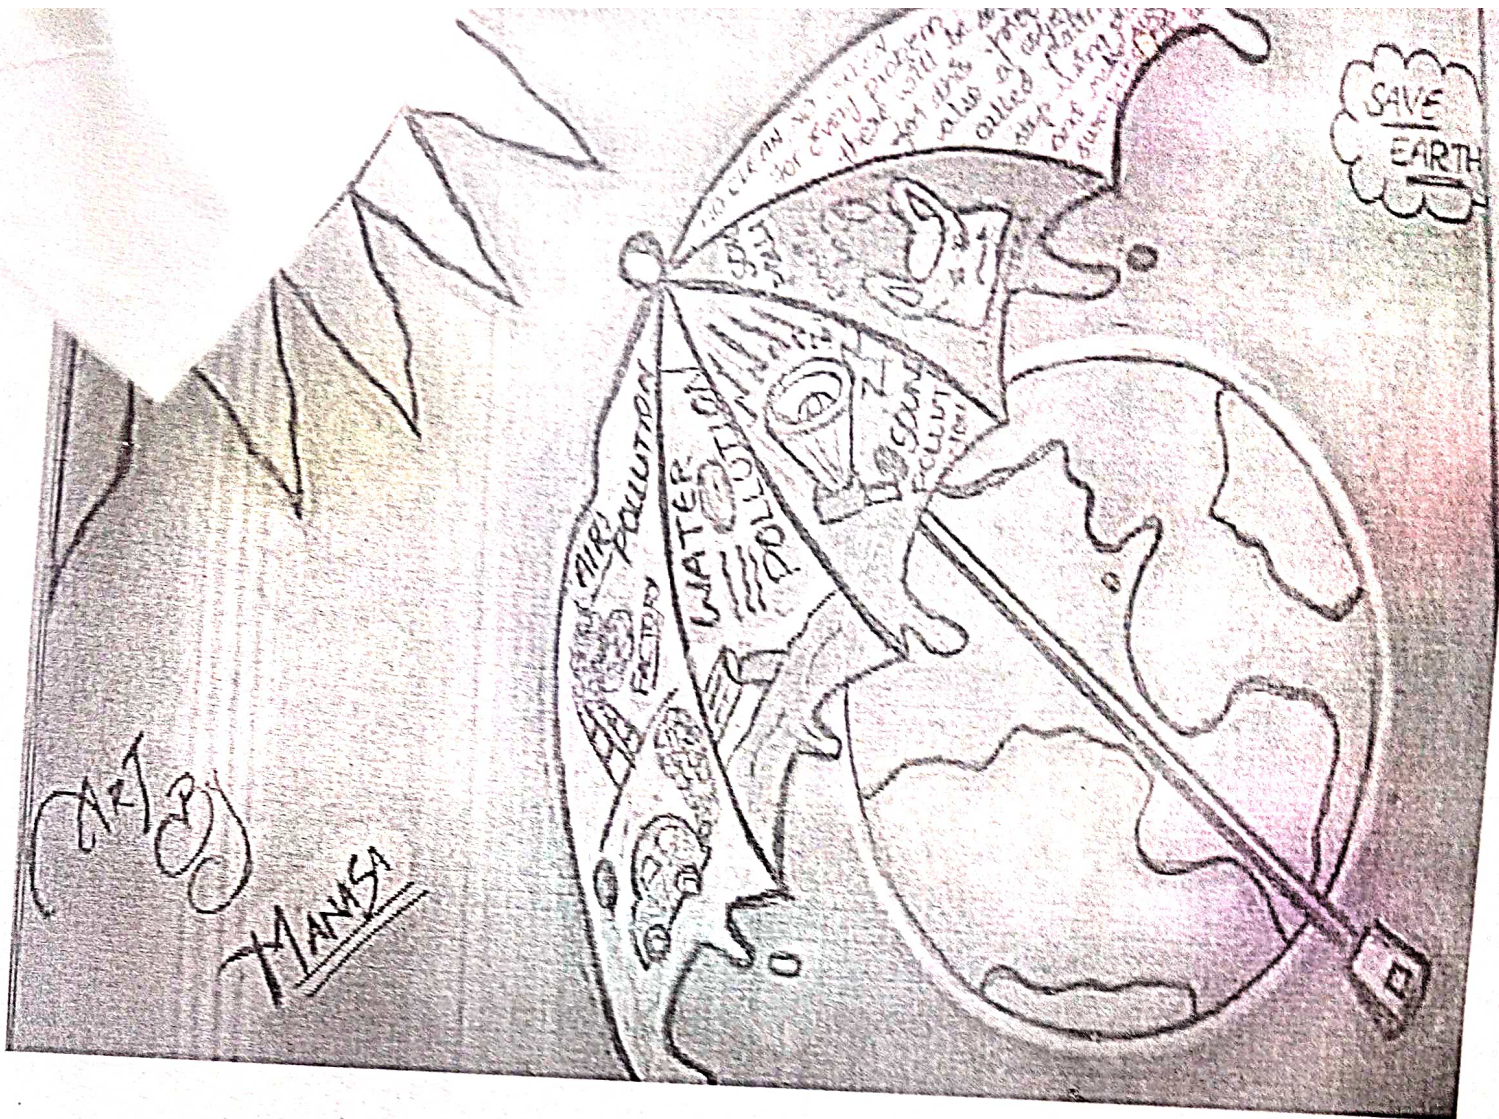

The following Points were discussed,

- ✓ Introduction to Electric Vehicles and Electric Vehicle Systems
- ✓ Need for EVs and architectures of different EV platforms
- ✓ Government incentives, Standards & Skill development
- ✓ The event helped students comprehend the issues and problems in mobility and acknowledged them regarding the true essence of zero emission vehicles in 21st century
