

INTRODUCTION ABOUT INDUCTION PROGRAM

The Induction Program framed for the **First Year 2019-2020** aims at the following.,

- Familiarization to Department and Branch
- Visits to Local Area
- Lectures by Eminent Industry/Academic Experts
- Proficiency Modules
- Literary
- Universal Human Values
- Physical Activity
- Creative Arts

SCHEDULE DAY WISE

Days	Schedule		
Tuesday 27.8.19	Familiarisation of the Department	LUNCH BREAK	Visits to English Lab
Wednesday 28.8.19	Lecture on NSS and its activities Dr. M. Maheswari		Lecture on Cultural and Creative Arts Dr.G.P. SivaKumar
Thursday 29.8.19	Lecture by the Head of the Department Prof.V. Swaminathan		Lecture on Environment and Green cell Mr.V. Santhanam
Friday 30.8.19	YOGA CLASS Mr.Manivannan		Sports Activity Dr.G.Gunalan
Saturday 31.8.19	Visits to Physics Lab Dr.K. Rajalakshmi		University Visit
Tuesday 3.9.19	Lecture by Dr.Sainathan, Medical Centre		Lecture by the Bank Manager, Indian Bank
Wednesday 4.9.19	Lecture by Mr.Kumar, DGM and Mr.S.Elango, L and T expert		Girls - Lecture on Women related issues
Thursday 5.9.19	Expert Interaction Mr.V. Lakshmi Narayan		Library Visits
Friday 6.9.19	VISIT TO TEMPLE		LOCAL Visit
7.9.19 Saturday	CULTURALS		Closing Ceremony

Details of Daily Activity With Photos

Lecture by Dr. Sainathan, Sri Jayendra Saraswathi Medical centre

A Glimpse of Lecture giving by Speakers from L & T, Chennai

Sri Chandrasekharendra Saraswathi Viswa Mahavidyalaya
SCSVMV, Enathur, Kanchipuram 631561
Department of Electronics and Communication Engineering

Lecture by Mr. Lakshmi Narayanan, Industry Expert, Chennai

Photo Taken during YOGA and Mind Practice Session

Sri Chandrasekharendra Saraswathi Viswa Mahavidyalaya
SCSVMV, Enathur, Kanchipuram 631561
Department of Electronics and Communication Engineering

Lecture by Mr. Santhanam, on Environment and Green Cell Initiatives

Section of the Audience during the Lecture

Sri Chandrasekharendra Saraswathi Viswa Mahavidyalaya
SCSVMV, Enathur, Kanchipuram 631561
Department of Electronics and Communication Engineering

Lecture by Dr.M. Maheshwari on the NSS activities

Section of Students on Yoga Day

Sri Chandrasekharendra Saraswathi Viswa Mahavidyalaya
SCSVMV, Enathur, Kanchipuram 631561
Department of Electronics and Communication Engineering

Local Visit to Temple and Nearby Places

Lecture by the Manager, Indian Bank on the schemes available for Students

Sri Chandrasekharendra Saraswathi Viswa Mahavidyalaya
SCSVMV, Enathur, Kanchipuram 631561
Department of Electronics and Communication Engineering

A Section of Physical Activity Training to students

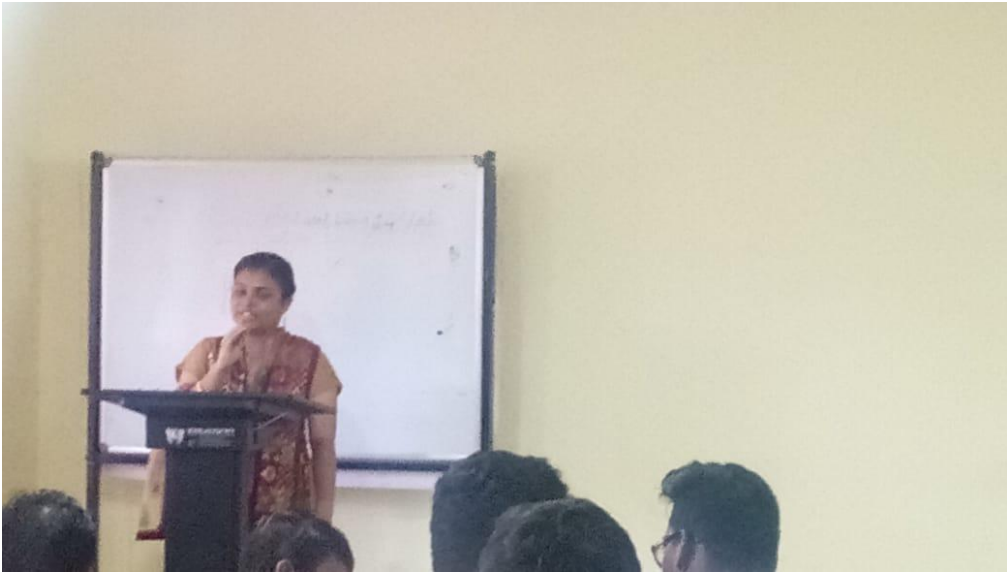

CULTURALS

Glimpse of Culturals

Sri Chandrasekharendra Saraswathi Viswa Mahavidyalaya
SCSVMV, Enathur, Kanchipuram 631561
Department of Electronics and Communication Engineering

Sri Chandrasekharendra Saraswathi Viswa Mahavidyalaya
SCSVMV, Enathur, Kanchipuram 631561
Department of Electronics and Communication Engineering

Feedback on Induction Programme by the Students

Minutes of Parents – Teacher Meeting on 26.8.2019 at 3 PM

The Following Points were discussed in the meeting

- 1) The Head of the Department, Prof. V. Swaminathan briefed the Syllabus Pattern and the Academic Schedule for the 2019-2020 Batch.
- 2) Information about the Attendance Percentage and Discipline has been informed to the Parents.
- 3) The Information about the Anti Ragging Committee and its activities are explained to the Parents.
- 4) Information about the Co-curricular and extra-curricular activities and the internships and industrial visits and educational tour has been summarized.
- 5) The Feedback from the Parents.

Sri Chandrasekharendra Saraswathi Viswa Mahavidyalaya
SCSVMV, Enathur, Kanchipuram 631561
Department of Electronics and Communication Engineering

Prof.V. Swaminathan, HOD addressing the Parents

A section of the Parents gathered for the Parents – Teacher Meet

Sri Chandrasekharendra Saraswathi Viswa Mahavidyalaya
SCSVMV, Enathur, Kanchipuram 631561
Department of Electronics and Communication Engineering

Feedback given by a Parent on Parent – Teacher Meeting

**SRI CHANDRASEKHARENDRA SARASWATHI
VISWA MAHAVIDYALAYA
SCSVMV**

Deemed to be University u/s 3 of UGC Act 1956
Accredited with “A” Grade by NAAC
Enathur, Kanchipuram, Tamil nadu – 631561

Faculty of Engineering & Technology

FIRST YEAR ENGINEERING

SCHEDULE FOR INDUCTION PROGRAM

DATE	SESSION	SPEAKER DETAILS	KEY NOTES
15.10.21	FN	Prof. V. Swaminathan Head Department of ECE/EIE	Inauguration of Student Induction Programme – 2021
	AN	Dr. M. Rathina Kumar Head Department of EEE	Professional Ethics and Skill Development
16.10.21	FN	Dr. M. Senthil Kumaran Head Department of CSE	Recent Trends in Computer Science
	AN	Dr. N. Seshadri Sekhar Head Department of Civil Engineering	Applications of GIS and Remote Sensing Technologies in Civil Engineering
18.10.21	FN	Dr. Lakshmi Bai Assistant Professor Department of EIE	Renewable Sources of Energy
	AN	Mrs. R. Sumathi Assistant Professor Department of Civil Engineering	Role of Engineers in Creating Green Environment for Sustainability
19.10.21	FN	Mr. Raghavan Vice President BNY Mellon	Importance of Communication Skills
	AN	Dr. P. Nagarajan NSS Coordinator SCSVMV University	National Service Scheme (NSS) & Activities
20.10.21	FN	Dr. Senthamiz Selvan Associate Professor Department of EEE	Entrepreneurship – Opportunities & Challenges
	AN	Dr. V. Ramanathan Controller of Examinations SCSVMV University	Rules and Regulations for Examinations
21.10.21	FN	Mr. Shasthri Alumni Software Engineer - CTS	Industrial Exposure to the Students
	AN	Dr. Debajyoti Jena Associate Professor Sanskrit & Indian Culture	Indian Culture and its Glory
22.10.21	FN	Dr. R. Jayalakshmi Assistant Professor Department of ECE	Human Values for Diversity & Harmony
	AN	Sri. A. S. Viswanathan Placement Officer SCSVMV University	Features of Campus Recruitment Training at SCSVMV University
23.10.21	FN	Dr. C. Parthasarathy Assistant Professor Department of CSA &	Importance of YOGA in Daily Routine

Induction Programme Report – October 2021, SCSVMV

		Dr. P. YOGESWARI, BNYS National Champion Player	
	AN	Ms. Lavanya, Alumni Accenture Software Solutions	Students' Interaction – About SCSVMV University
25.10.21	FN	Dr. S. Swaminathan Dean Sri Jayendra Saraswathi Ayurveda College and Hospital, Chennai	Ayurveda for a Healthy Living
	AN	Dr. S. S. Devika Librarian I/C SCSVMV Deemed University	Library – The University's Treasure House
26.10.21	FN	Dr. K. Venkatraman Head Department of Physics & Director (Cultural), SCSVMV University	A Glimpse on Cultural Activities at SCSVMV University
	AN	Dr. G. Senthil Kumar Associate Professor Department ECE	Recent Trends in Information Technology
27.10.21	FN	Dr. T. Raj Mohan Head Department of Mechanical Engineering	Fuel Efficient Engines in Automobiles
	AN	Dr. P. Venkatesan Associate Professor Department of ECE	Motivational Speech
28.10.21	FN	Dr. K. Sivakumar Head Department of Chemistry	Basics of Chemistry for Engineering Students
	AN	Mrs. Saraswathi Assistant Professor Department of CSE	Digital Revolution in Education
29.10.21	FN	Dr. T. Pushpanathan Head Department of English	Basics of Technical Writing in English
	AN	Dr. K. Srinivasa Rao Head Department of Mathematics	Applications of Mathematics in Engineering
30.10.21	FN	Dr. S. Vijayaraghavan Assistant Professor Department of ECE	Virtual Tour of SCSVMV University and Kanchipuram
	AN	Feedback Session	Oral Presentation of Feedback & Online Feedback Form Submission

INTRODUCTION TO THE INDUCTION PROGRAM

The Department of Electronics and communication Engineering (ECE) of SCSVMV Deemed University, Kanchipuram has conducted the Induction program (in virtual mode – Google meet Platform) as per the guidelines issued by AICTE with an objective of making the 1st year students feel comfortable with new campus atmosphere, facilities, infrastructure, technical and non-technical staff, daily routine, etc. The department of ECE has organised it for all the students of first year. This program has served the needs of budding engineers to understand the prospective future of engineers, ideate and think innovatively, sensitivity to know the self and understand the surroundings, etc. This motivation will help the fresh minds to utilise the abundant resources available in the University, implement the innovative ideas and take part in the nation's technical empowerment.

Every day there were two sessions.

Morning Session	: 10:00am to 11: 30am	– Session 1
Noon Session	: 2: 30pm to 4: 00pm	– Session 2

The Induction Program structured for the First Year 2021-2022 aims at the following aspects

- Insights into the Departments
- Salient features of the Branch of Study
- Virtual Campus Tour
- Lectures by Eminent Industry/Academic Experts
- Knowledge sharing by Elite Alumni
- Universal Human Values & Ethics
- Communication and Personality Development
- Healthy Life Style – Sound Body for a Sound Mind
- Creativity and Innovation
- Indian Culture & Arts

DAY WISE EVENT REPORT

DAY 1: 15-10-2021

Session 1: Prof. V. Swaminathan

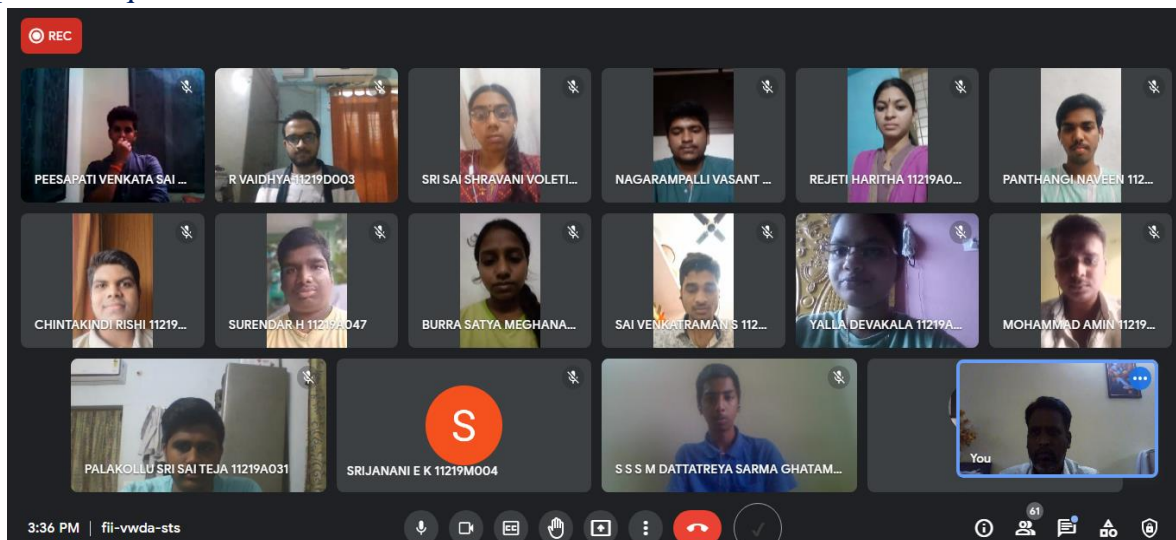

Student Induction Programme was inaugurated by Prof. V. Swaminathan, Head of ECE Department. He welcomed the students of all branches and gave detailed insights about the University, the rules and regulations to be followed by the students, curriculum, infrastructure, laboratories and resources. The session has filled confidence in the minds of budding engineers.

Prof. V. Swaminathan addressing the students – 1st Day – Session 1

Session 2: Dr. M. Rathina Kumar

In the afternoon session, a session was conducted by Dr M Rathina Kumar, Head of EEE Department on the Professional Ethics & Skills Up gradation. The session was thought provoking for students on various aspects of technical skills and upgrading them to meet the present requirements.

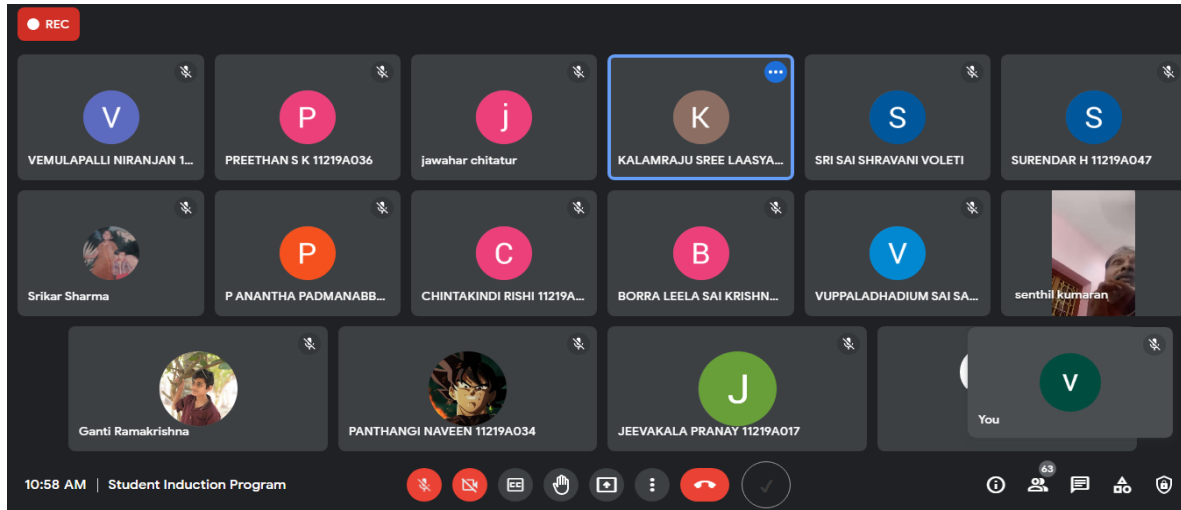

Dr. M. RathinaKumar with Students – 1st Day – Session 2

DAY 2: 16-10-2021

Session 1: Dr. M. SenthilKumaran

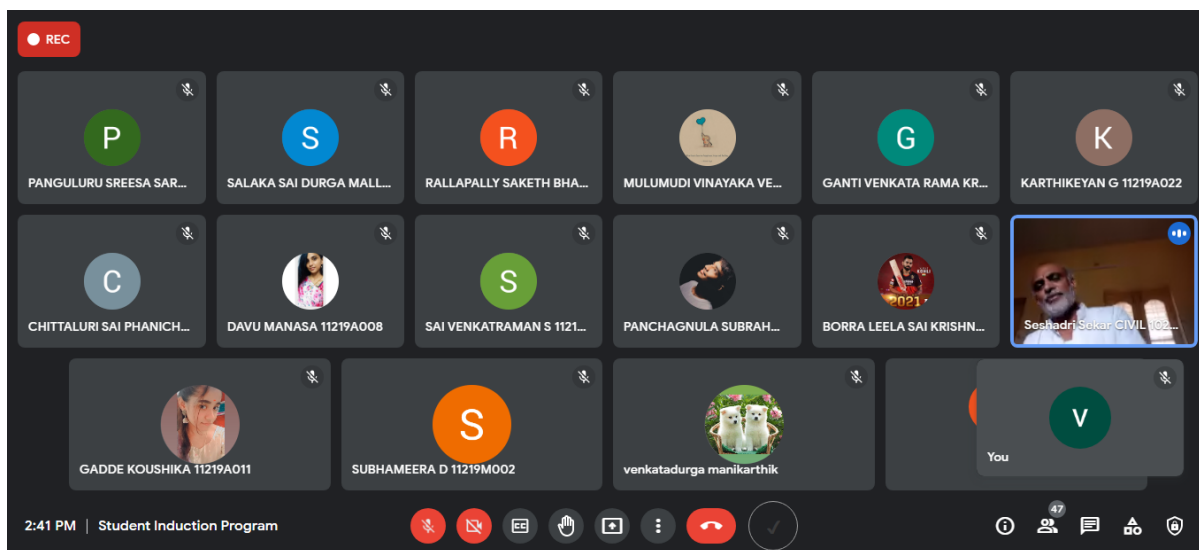

On the second day, the basics of Computer Science along with the latest technologies like Artificial Intelligence (AI) and Internet of Things (IOT) are explained in detailed by Dr. M. SenthilKumaran, Head of CSE Department. The session was detailed and informative.

Dr. M. SenthilKumaran & Students - 2nd Day — Session 1

Session 2: Dr. N. SeshadriSekhar

In the afternoon session, Dr. N. SeshadriSekhar, Head, Department of Civil Engineering gave detailed understanding about the Department of Civil Engineering and its need for our existence. He emphasised on the day to day advancements in this field . The importance of GIS and Remote Sensing Applications were explained in detail.

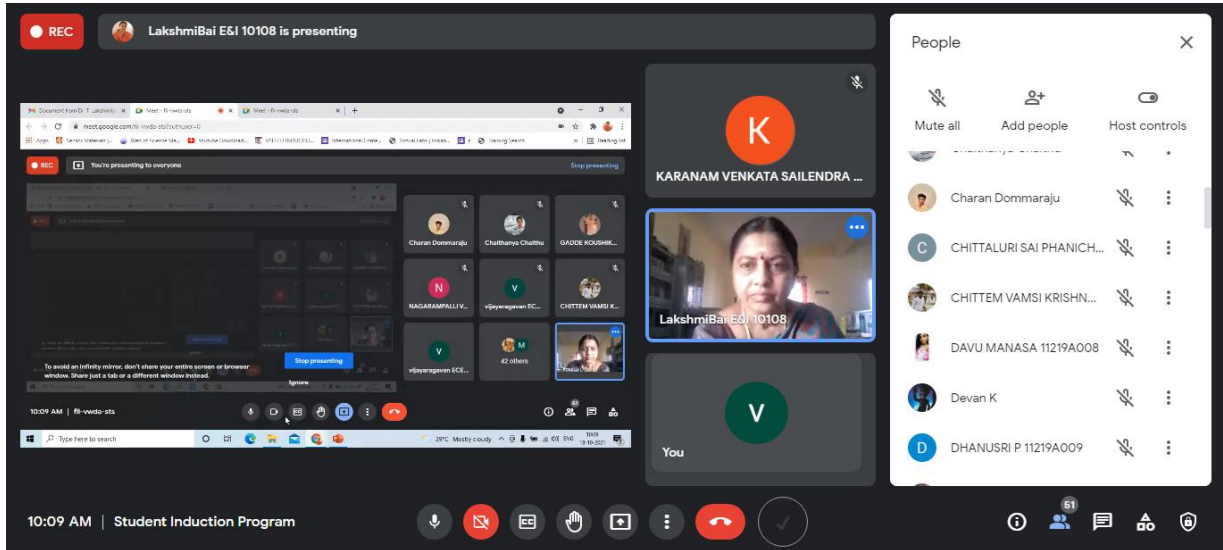

Dr. N. SeshadriSekhar & Students – 2nd Day – Session 2

DAY 3: 18-10-2021

Session 1: Dr. LakshmiBai

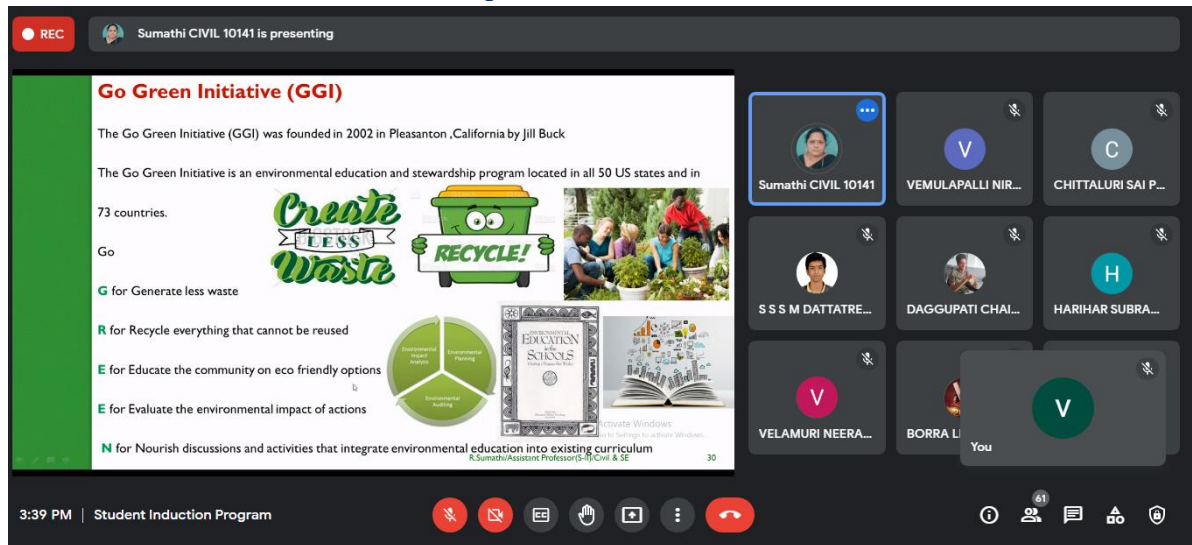

On the third day, Dr. Lakshmi Bai, Assistant Professor, Department of EIE gave a detailed illustration on Renewable Sources of Energy. She presented the need to save the energy and work on new types of energy sources to meet the increasing challenges of fuel crisis. The global scenario was narrated in detail.

Dr. LakshmiBai & Students – 3rd Day – Session 1

Session 2: Mrs.R.Sumathi

In the noon session, the session was held by Mrs. R. Sumathi, Assistant Professor, Department of Civil Engineering on Green Environment. She linked it with the earlier topic of Energy Sources and emphasized the need to focus on Climate Change, Global Warming, E-waste, Biomedical waste management, biodegradable and non-biodegradable waste management, RRR (Reduce – Reuse – Recycle) methodologies to save our planet Earth from vicious circle of environmental pollution.

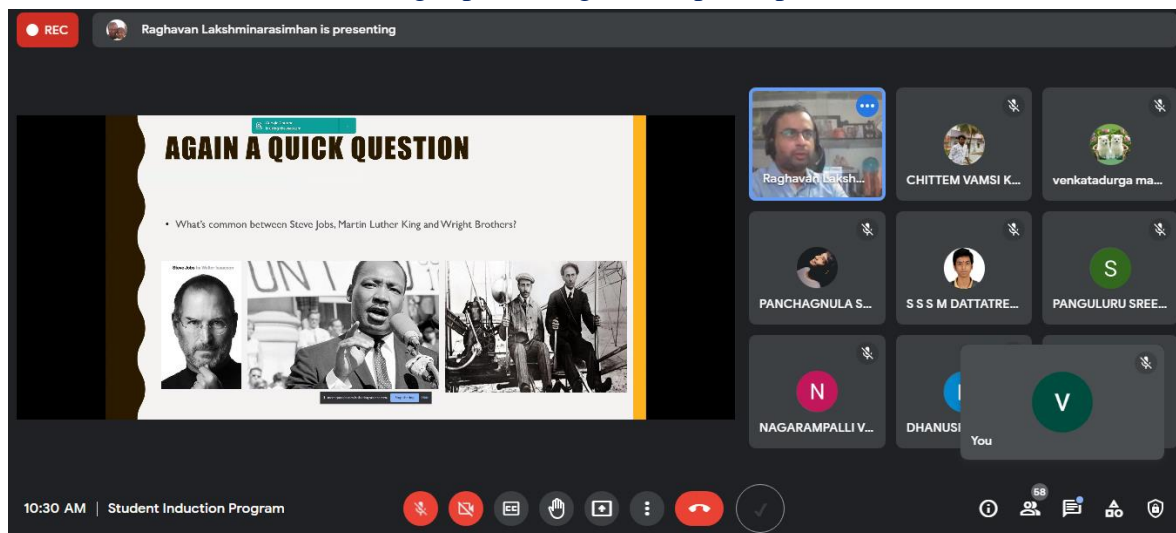

Mrs.R.Sumathi & Students – 3rd Day – Session 2

DAY 4: 19-10-2021

Session 1: Mr.Raghavan

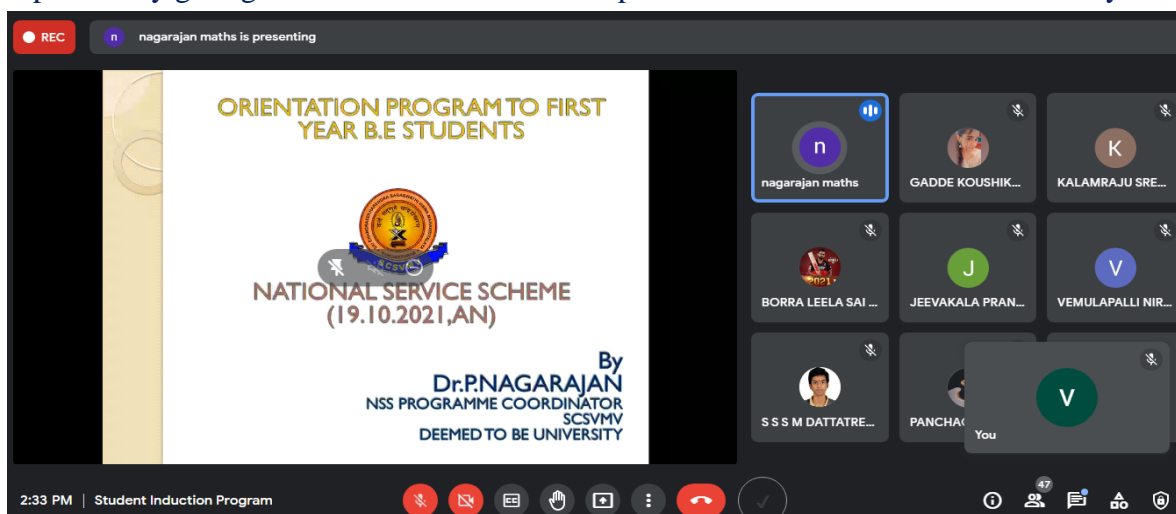

On the 4th day of induction program, Mr.Raghavan, Vice President, BNY Mellon shared his knowledge on the aspects of industrial expectations from the engineers. The hands-on experience was shared which focused on technical skills, creativity and communication skills to emerge as successful engineers in the industry. A few tips and guidance was given on the activities useful for skill development to meet the requirements of the industry. The session was interactive and thought provoking for the participants.

Mr.Raghavan & Students – 4th Day – Session 1

Session 2: Dr.P.Nagarajan

In the noon session, Dr.P.Nagarajan, NSS Coordinator of the University conducted a session with details on NSS Scheme and its activities throughout the year. The activities were explained by giving illustrations on Mutual Cooperation and Team Work and Harmony.

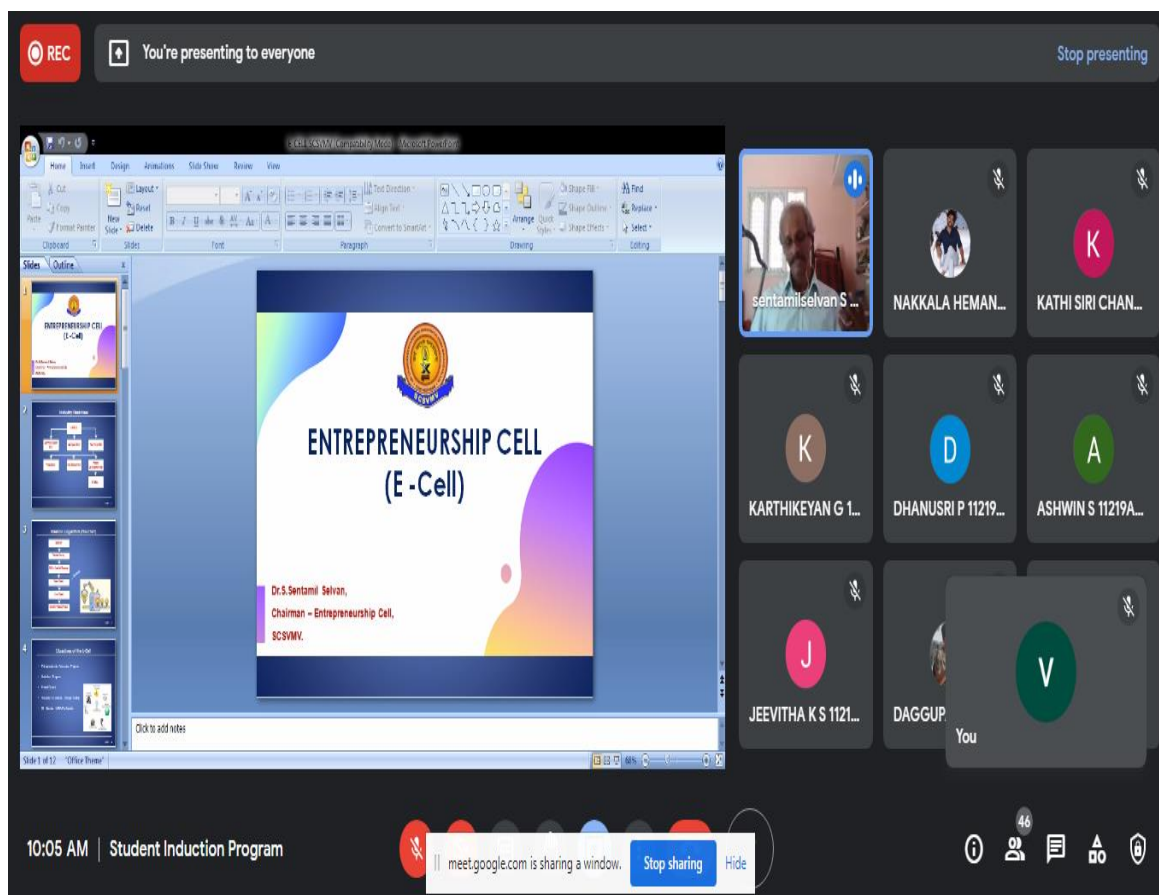

Dr. P. Nagarajan & Students – 4th Day – Session 2

DAY 5: 20-10-2021

Session 1: Dr.S.SenthamizSelvan

Entrepreneurship is the aspect that gives professional and personal satisfaction, in terms of growth and public interest. The contribution of Engineers and technocrats is regarded in the nation's development. In the same regard, on the 5th day, Dr. Senthamiz Selvan, Associate Professor, Department of EEE gave a detailed presentation on the Entrepreneur Cell and its activities in the University. He focused on the need to identify the problems and develop the innovative solutions for the same. The stories of entrepreneurs were motivated.

Dr.S.SenthamizSelvan & Students – 5th Day – Session 1

Session 2: Dr. V. Ramanathan

In the noon session, Dr.V.Ramanathan, Controller of Examinations, SCSVMV University explained in detail about the various examinations conducted in the University as per the schedule and the credits required for the successful completion of course. The rules and regulations were narrated in detail.

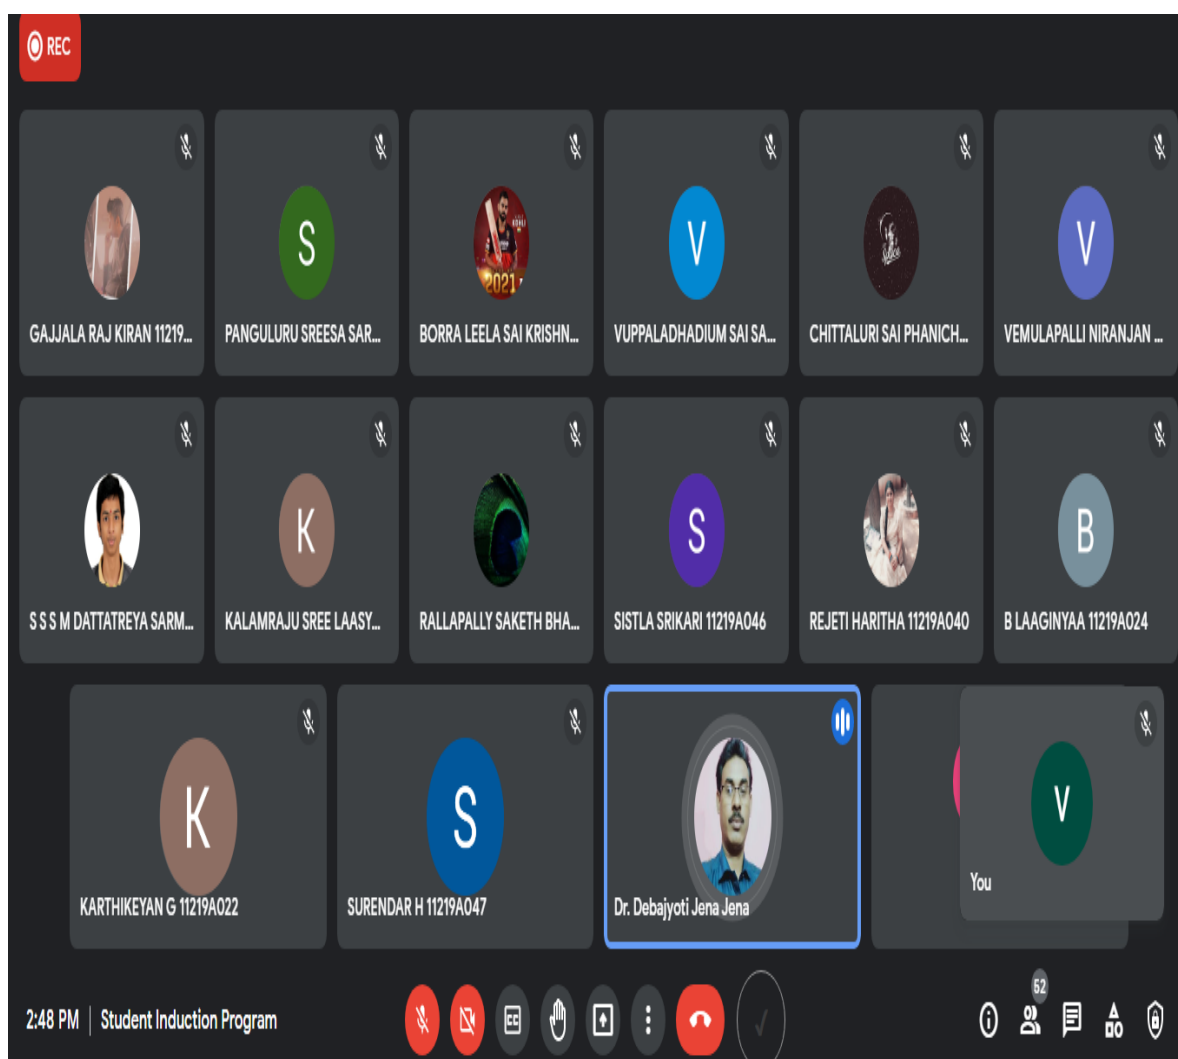

DAY 6: 21-10-2021

Session 1: Mr.Shasthri

Successful alumni are the satisfactory for the institution and staff members. On the 6th day, Mr.Shasthri, Software Engineer, Cognizant Technology Solutions had an interactive session with the students, where the life during the college days and the facilities in the University were explained by connecting with the industrial experiences.

Session 2: Dr. Debajyoti Jena

Followed by this, Dr.Debajyoti Jena, Associate Professor, Department of Sanskrit & Indian Culture stress on the moral values, ethics and focused on the greatness of Indian culture and tradition. The qualities of kindness, sacrifice, selfless service, humbleness, humanity, unity in diversity, etc were explained in detail. It was focused on the aspects that an engineer can focus on preserving Indian culture.

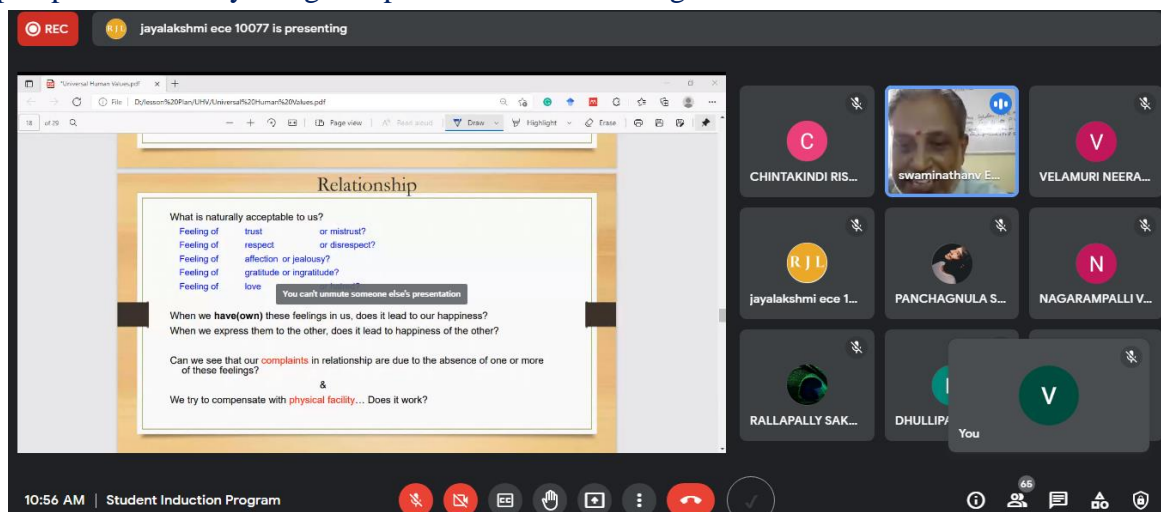

Dr. Debajyoti Jena & Students – 6th Day – Session 2

DAY 7: 22-10-2021

Session 1: Dr. R. Jayalakshmi

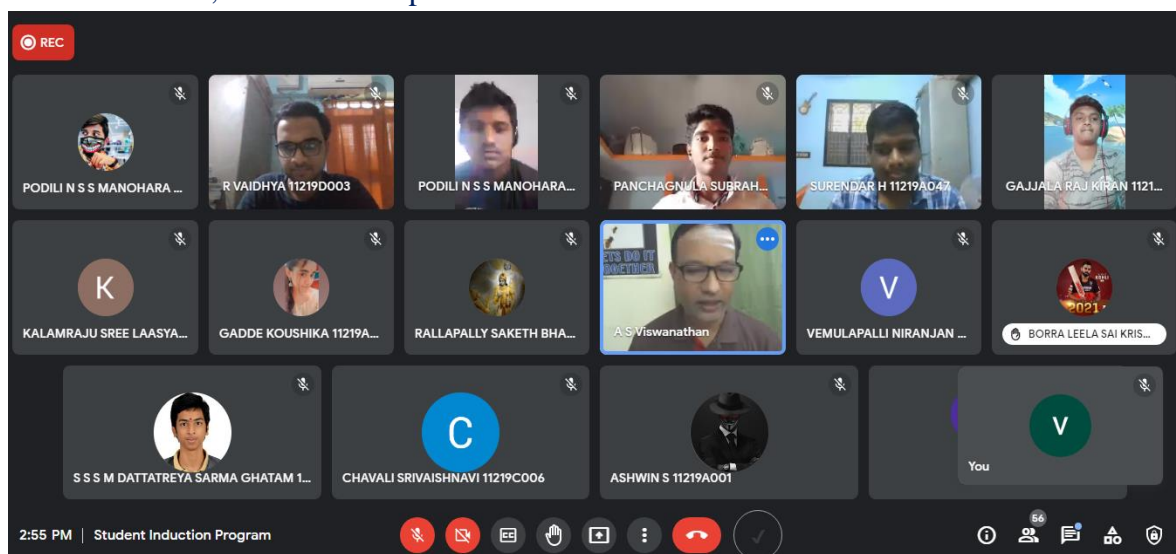

The 7th day's session was conducted by Dr.R.Jayalakshmi, Assistant Professor, Department of ECE on Universal Human Values, where she mentioned the need to imbibe values before fighting for rights. Rights and Values should go hand in hand for a responsible and prosperous security has given positive outlook among the students about the life.

Dr. R. Jayalakshmi and Students – 7th Day – Session 1

Session 2: Mr A. S. Viswanathan

The noon's session was taken over by Mr A. S. Viswanathan, Placement Officer, SCSVMV University who shared guidelines for the preparation required to be successful in campus placements. Various rounds in the campus recruitment drive were explained and an outline was given on the recruiters visiting the University every year. Important aspects like soft skills, communication skills, technical skills, aptitude, interview skills, etc were presented with illustrations, which was helpful for students.

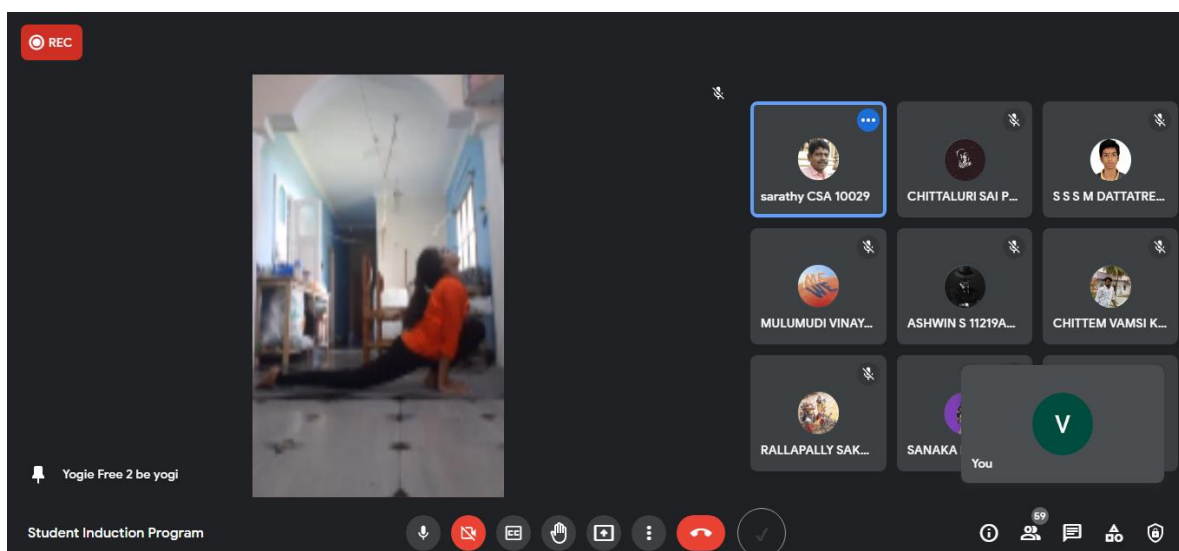

Dr. Viswanathan & Students - 7th day – Session 2

DAY 8: 23-10-2021

Session 1: Dr. C. Parthasarathy & Dr. P. YOGESWARI, BNYS

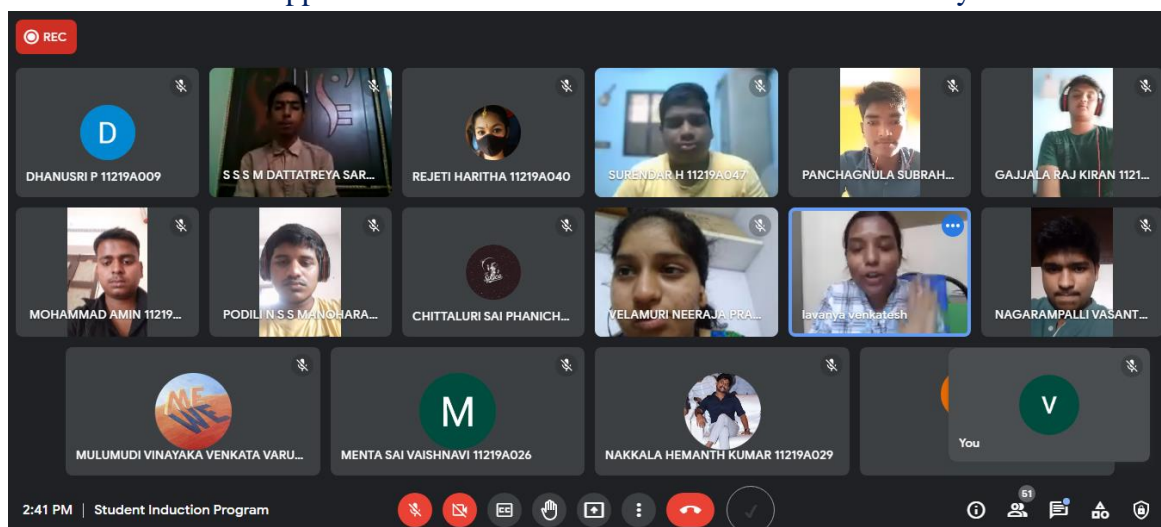

Healthy body for healthy mind was the theme for 8th day. A session was conducted by Dr. C. Parthasarathy, Assistant Professor, Department of CSA & Dr. P. Yogeswari, BNYS, National Champion Player, on the topic Importance of YOGA in Daily Routine. The yogasanas were performed and the background lecture was enthusiastic. Various Asanas like Tadasana, Vrikshasana, Adho Mukho Svanasana, Trikonasana, Kursiasana, Naukasana, Bhujangasana, Paschimottanasana, Sukhasna, Surya Namaskara, Pranayama, etc were demonstrated along with the benefits.

Dr. C. Parthasarathy & Dr. P. Yogeswari with Students – 8th Day – Session 1

Session 2: Ms. Lavanya

In the noon session, Ms. Lavanya, Alumni - Software Engineer, Accenture Software solution interacted with the students and explained about Hostel and Infrastructure. Her hostel days were said to be the happiest times because of the facilities in the University.

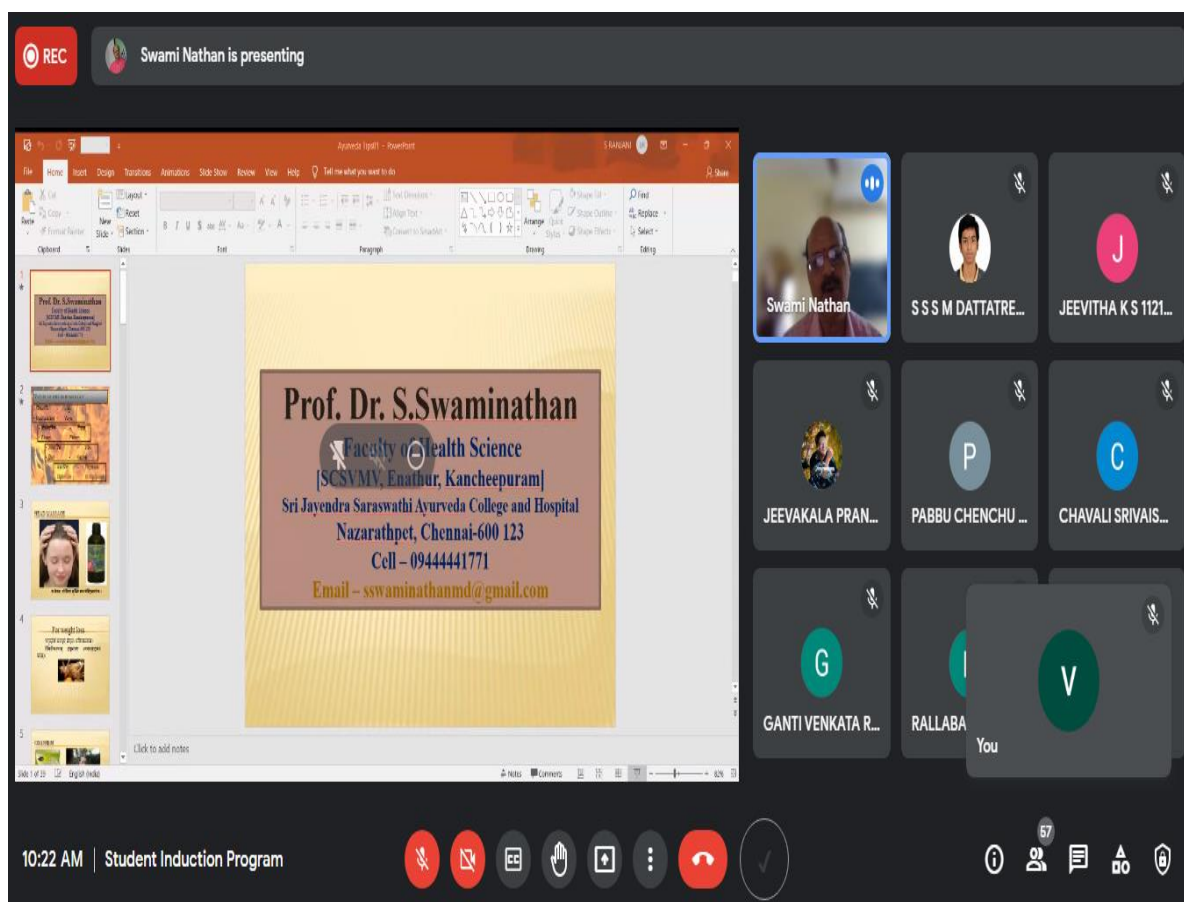

Ms. Lavanya and Students – 8th Day – Session 2

DAY 9: 25-10-2021

Session 1: Dr. S. Swaminathan

Ayurveda is the Science of Life and is one of the oldest systems of medicine prevalent across the globe. The contributions of Acharyas and Vaidyas from ancient India were remarkable. Regular practice of Ayurvedic diet with a healthy life style keeps the illness away. These were the aspects focused by Dr. S. Swaminathan, Dean, Sri Jayendra Saraswathi Ayurveda College and Hospital, Chennai on the 9th day of the induction program. The session was educative and useful for the students to have a healthy lifestyle post pandemic. Tips to improve the immunity, memory and strength using Ayurvedic remedies were also suggested.

Dr. S. Swaminathan & Students – 9th Day – Session 1

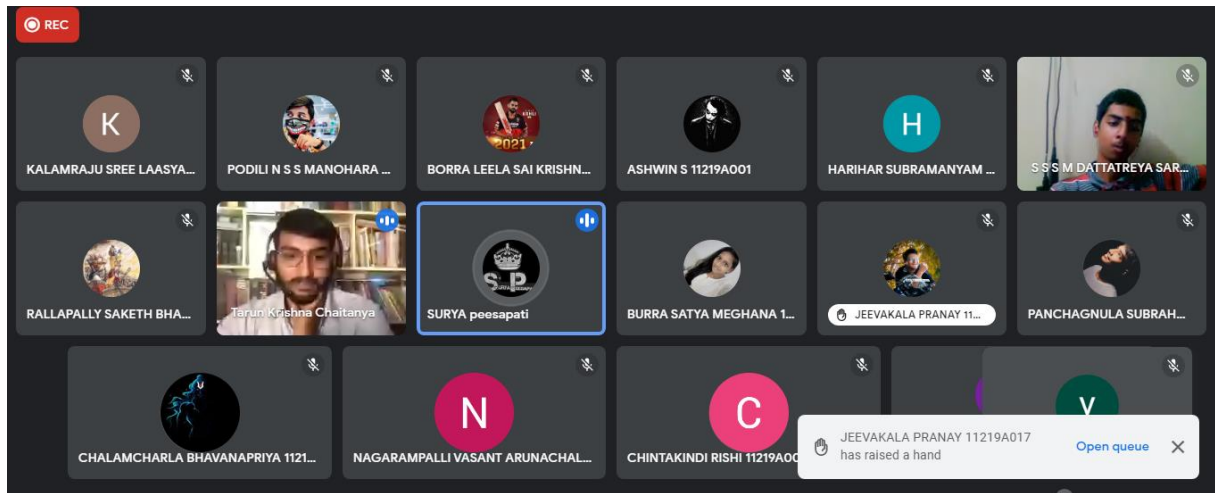

Session 2: Dr. S. S. Devika

Library is one of the distinctive features of the University. Dr. S. S. Devika, Librarian I/C, SCSVMV Deemed University made a detailed presentation on various collections of books, magazines, journals, digital resources, e-books, competitive exam series, GATE special editions, aptitude and reasoning series, placement guidance manuals, etc accessible for students. Along with the infrastructure and facilities, the rules and regulations to be followed in the Library were also explained.

DAY 10: 26-10-2021

Session 1: Dr. K. Venkatraman

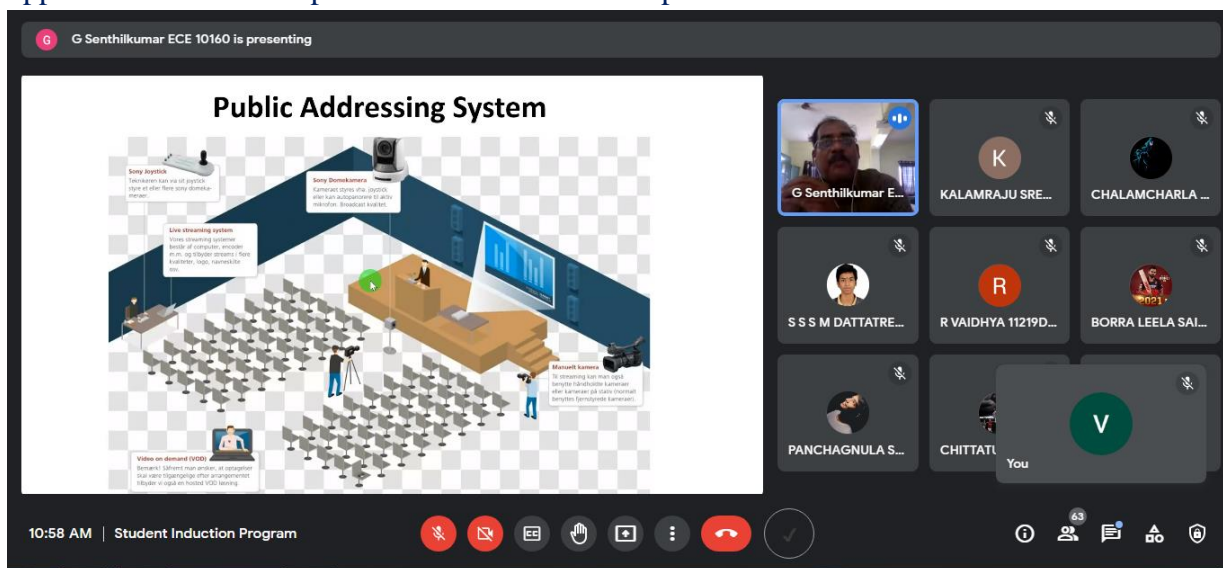

The 10th day’s program was about Cultural Activities in the University. The session was held by Dr. K. Venkatraman, Head, Department of Physics & Director (Cultural), SCSVMV University. “The cultural activities help us to attain the overall development. The qualities like team spirit, creativity, overcoming the stage fear, etc can be achieved through enthusiastic participation in the cultural activities”, said the speaker. He motivated the students to be radiant and participate in the activities of all sought to enrich their abilities.

Dr. K. Venkatraman & Students – 10th Day – Session 1

Session 2: Dr. G. Senthil Kumar

The noon session was hosted by Dr. G. Senthil Kumar, Associate Professor, Department of ECE on the Recent Trends in Information Technology with examples and illustrations. Different technical aspects were explained with prospective research perspectives. The opportunities for start-ups in this field were also explained in detail.

Dr. G. Senthil Kumar & Students – 10th Day – Session 2

DAY 11: 27-10-2021

Session 1: Dr.T.RajMohan

As it is essential for an engineer to have knowledge on interdisciplinary and multidisciplinary aspects, on the 11th day, a session on the Latest Trends in Mechanical Engineering was presided over by Dr. T. Raj Mohan, Head, Department of Mechanical Engineering. It was an elaborate presentation which has touched from the basics qualities of a mechanical engineer to the latest trends in the field and the industry based needs. It was a knowledge sharing session.

Dr. T. Raj Mohan and Students – 11th day – Session 1

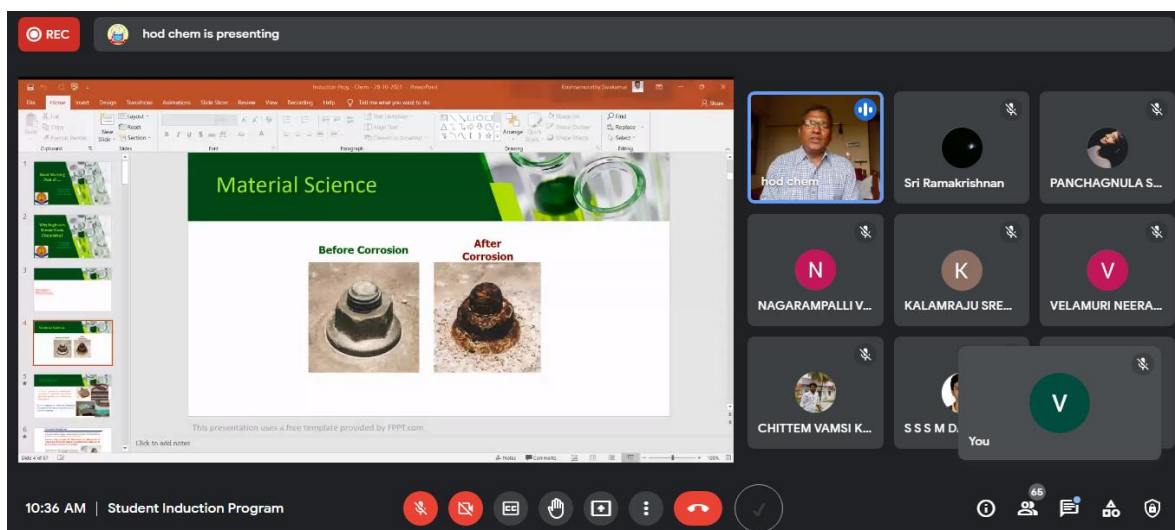

Session 2: Dr.P.Vekatesan

“Motivation is a key factor for success. It can be self-motivation or induced motivation. The results are positive and vibrant. As failures are the stepping stones for success, we should not look back before achieving the target. It’s always important to stay motivated for being successful. Perseverance is another important quality for getting succeeded”, said Dr. P. Venkatesan, Associate Professor, Department of ECE. It was a vibrant lecture which helped to boost confidence among the students to face the odds of all sort and overcome the same.

DAY 12: 28-10-2021

Session 1: Dr. K. Sivakumar

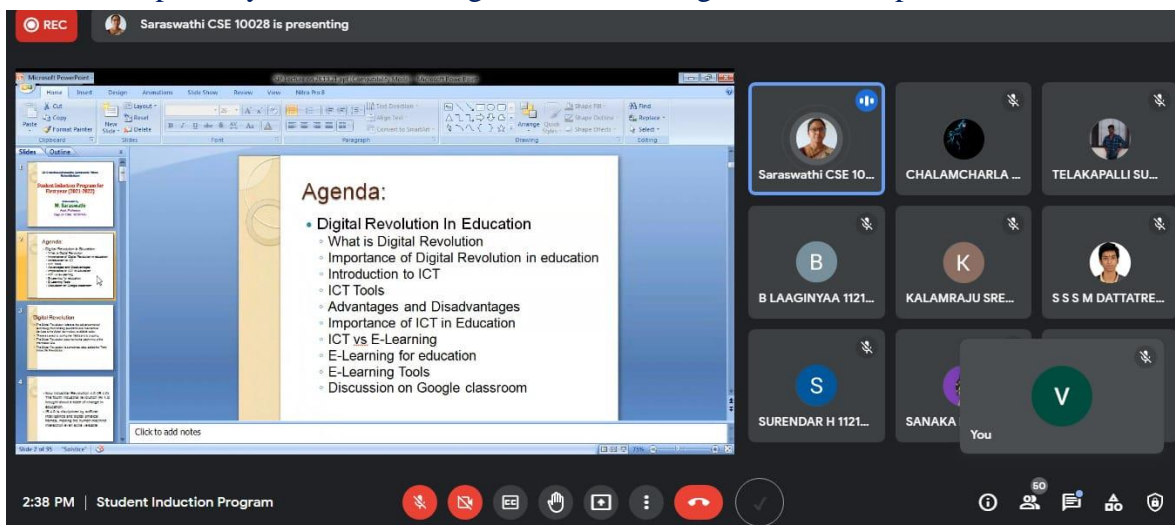

On the 12th day, Dr. K. Sivakumar, Head, Department of Chemistry Engineering hosted a crisp session on the Basics of Engineering Chemistry and its day to day applications in the industry. Various chemical aspects associated with every field of engineering were illustrated. The laboratory skills required for engineering chemistry were explained.

Dr. K. Sivakumar & Students – 12th Day – Session 1

Session 2: Mrs. Saraswathi

The session on Digital Revolution in Education was conducted by Mrs. Saraswathi, Assistant Professor, Department of CSE. She covered various changes in the field of education in connection with modernization, globalization and digitalization. A swift change in the teaching – learning process due to pandemic and its influence were narrated in detail. The need for adoptability to sustain during the drift of changes was also explained.

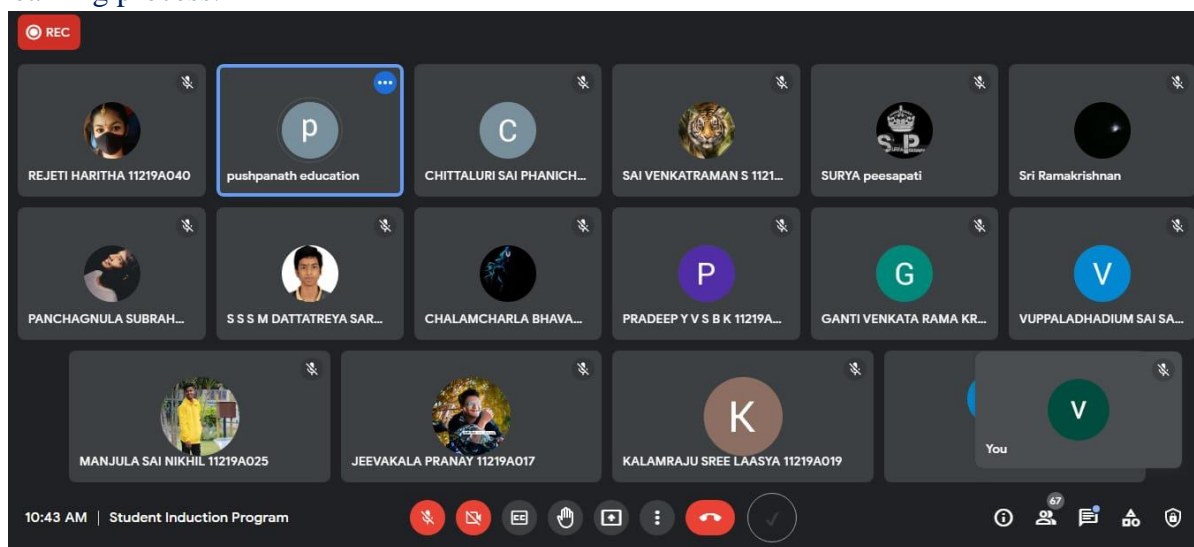

Mrs. Saraswathi and Students – 12th day – Session 2

DAY 13: 29-10-2021

Session 1: Dr. T. Pushpanathan

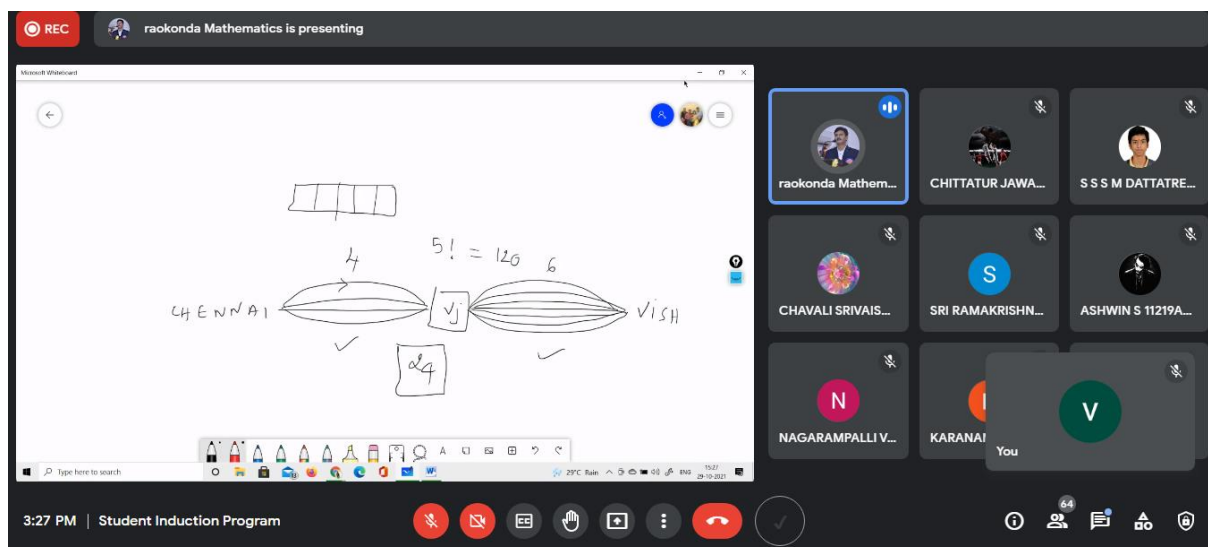

On the 13th day, the importance of Communication in English – Basics of English Grammar and Writing Skills were taught by Dr.T.Pushpanathan, Head, Department of English. The activities to improve the writing skills, importance of listening skills, etc were narrated using examples. The online learning applications were introduced to the students to ease the learning process.

Dr. T. Pushpanathan and Students – 13th Day – Session 1

Session 2: Dr.K.Srinivasa Rao

Mathematics and its Need for Engineering Students was very well by Dr K. Srinivasa Rao, Head, Department of Mathematics. An introduction to Engineering Mathematics was given along with the details on paper presentations, seminars, etc being conducted in the field of Mathematics.

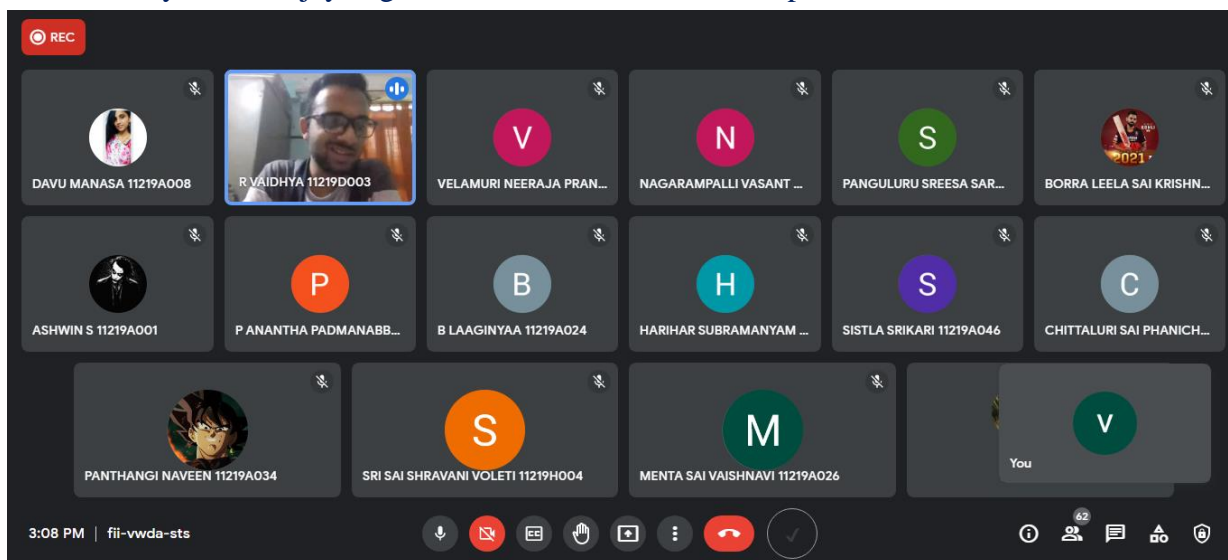

Dr.K.Srinivasa Rao & Students – 13th Day – Session 2

DAY 14: 30-10-2021

Session 1: Dr. S. Vijayaraghavan

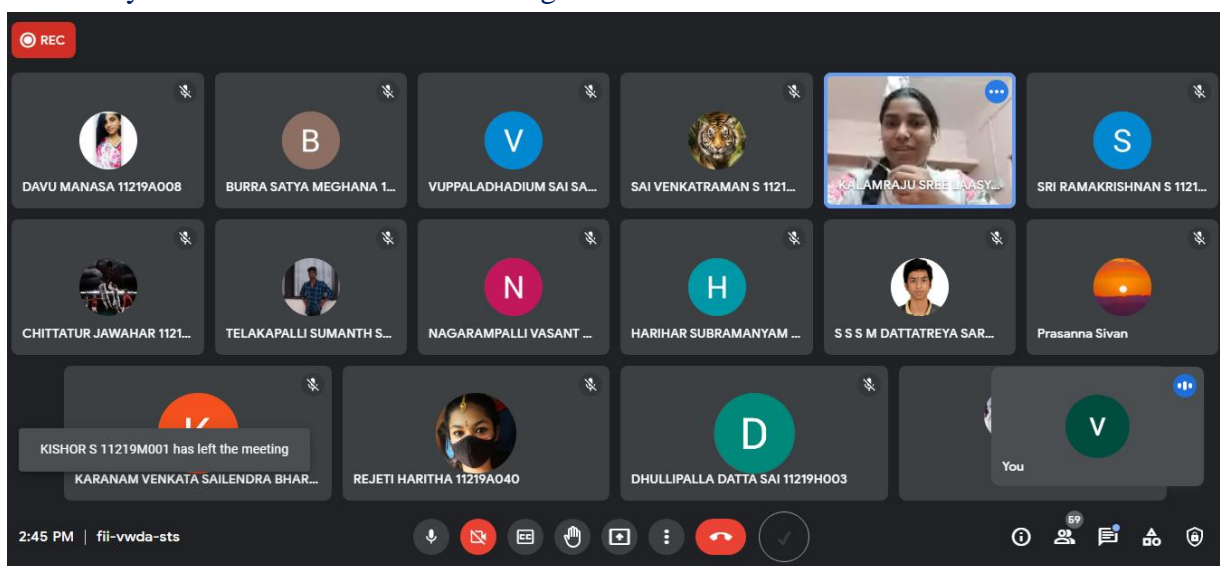

The last day of 14 days Virtual Induction program was filled with joy among students. The session started with Virtual Tour of Kanchipuram and Virtual Round Trip to the University. It was followed by Cultural Events – Singing, Mimicry, Drawing. The theme for Drawing – Greenhouse Effect and Global Climate Change had created a great response. The session was conducted by Dr. S. Vijayaraghavan, Assistant Professor, Department of ECE.

On the last day of Induction Programme – Dr.S.Vijayaraghavan & Students – Session 1

Session 2: Online Feedback Submission

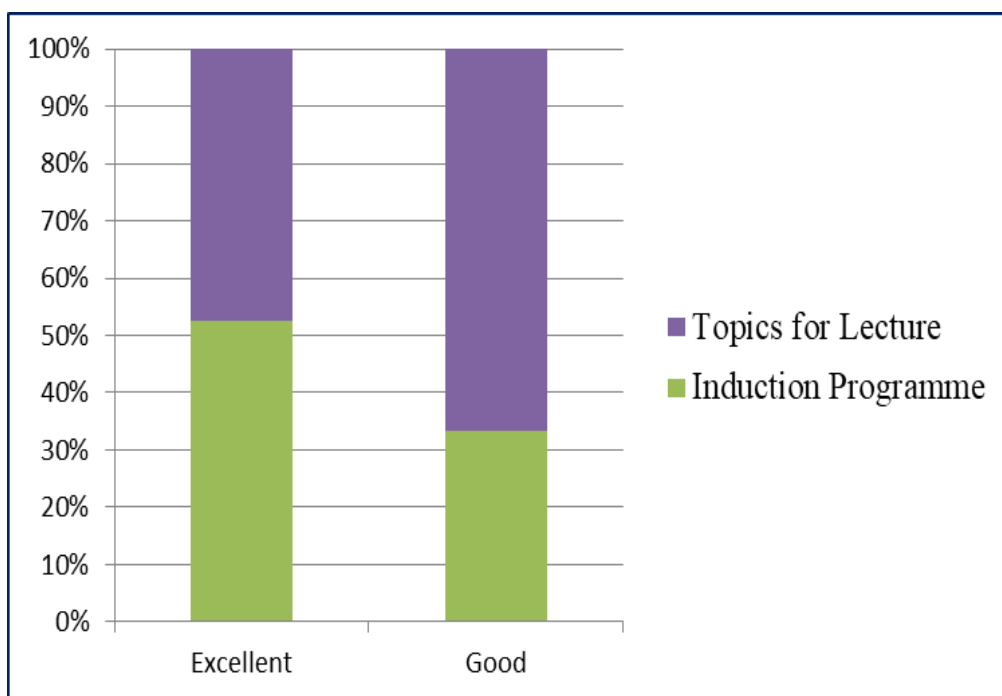

In the noon session, a detailed online feedback was collected from the students about a 2 week Virtual Induction Program. The feedback helped us to know the minds of students. It was positive where the students expressed their satisfaction and happiness to join our University to mould their careers for a bright future.

Students during Online Feedback Submission Session

FEEDBACK ANALYSIS

The overall student feedback is positive and encouraging. The students' feedback states that the program was useful for them to know about the campus and facilities of the department and learnt about the importance of team work. The programme also provided the motivation and skills needed for enhancing the Student Career opportunities. The histogram below shows the percentage of students who expressed the feedback.

Feedback Analysis for First Year Induction Programme – All Branches

The number of students in each branch of first year B.E. and B.Tech are as follows. All the students attended the Induction Programme, organized for 2 weeks.

S No	Branch	No. of Students
1	CSE	56
2	ECE	06
3	IT	04
4	Mechatronics	04
5	Mechanical	03
6	Civil	01

Branch wise Number of Students

RESULTS OF DRAWING COMPETITION

On the 14th day of Induction Programme, Drawing Competition was conducted with the theme “Greenhouse Effect and Global Climate Change”. The participation was appreciable. The students have shared their views on protection the Earth from pollution of various forms. The ideas represented are catchy and appealing. The winners of the event are:

1. Ms. Davu Manasa – 1st Prize
2. Ms. Menta Sai Vaishnavi – 2nd Prize
3. Ms Kallamraju Sree Laasya & Sanaka Lalithya – 3rd Prize

Art by Ms. Davu Manasa – CSE Branch – 1st Prize

Art by Ms. Menta Sai Vaishnavi – CSE Branch - 2nd Prize

Art by Ms .Sanaka Lalithya

CONCLUSION

The Student Induction Programme (SIP) for the 1st year students of all the branches of Engineering was conducted successfully by the Department of ECE, SCSVMV University, Kanchipuram. The programme was conducted as per AICTE regulations and the outcomes were productive.

Dr S. Vijayaraghavan, Assistant Professor, Department of ECE has coordinated the Induction Programme for all the branches of 1st year for the academic year 2021 – 22.

The organizers offer their thankfulness for all the resource persons for the time and valuable ideas shared with the students.

We express our gratitude to the University for the encouraging us to conduct the webinars to provide better teaching and learning opportunities for the students.
