ABOUT UNIVERSITY

The Viswa Mahavidyalaya at Kanchi was established with the benign Blessings of Their Holiness Pujyasri Jayendra Saraswathi Swamiji and Pujyasri Sankara Vijayendra Saraswathi Swamiji and it attained the status of Deemed University in 1993.

Sri Chandrasekharendra Saraswathi Viswa Mahavidyalaya, formed under the aegis of Sri Kanchi Kamakoti Peetam Charitable Trust in 1993, is located in a sprawling complex of 50 acres at Enathur, at a distance of about 4 Kilometres from Kanchipuram.

The University has a campus in Poonamalle, Chennai, housing an ayurveda College, research centre and hospital.

The University has a unique focus on integrating traditional knowledge with modern scientific practices with a global outlook.

ABOUT DEPARTMENT

The Department of Civil & Structural Engineering was established in 2009. The goal of this department is to educate students and prepare them to become potential chartered Civil Engineers who possess appropriate knowledge, skills and understanding and confident in their abilities. They are highly valued by their employers and make a positive contribution to society.

The Department offers
B.E Civil & structural (full time)
B.E Civil (full time)
B.E Civil (part time)
Ph.D (part time)

The department caters to the ever challenging needs of technical excellence in all areas of Civil Engineering.

ABOUT THE WORKSHOP

"Achieving green" means to pursue knowledge and practices that can lead to more environmentally friendly and ecologically responsible decisions and lifestyles, which can help to protect the environment and sustain its natural resources for current and future generations.

Workshop is a part of educators; researchers; practicing planners, architects, engineers and other building professionals on subjects like sustainable and efficient building, furthering sustainable habitat movement to reduce the impacts of planned infrastructures in built environment. Workshop aims at strengthening curriculum on sustainable habitat for built professionals in the country.
