Modeling of Solar PV Systems Using MATLAB Software Workshop Report

Department of Electrical and Electronics Engineering, SCSVMV University, Enathur, Kanchipuram in collaboration with Pantech Solutions jointly organized one day Workshop for EEE students on “*Modeling of Solar PV Systems Using MATLAB Software*” on 15th Saturday, October 2022 @10.30am to 1.00pm.

Speaker : *Mr. S.Alex Jeoferry,*
Project Engineer,
Pantech Solutions,
Chennai – 600 017.

About the Workshop – Speaker covered the all details about MATLAB Simulink. He explained how to model a solar array, inverters & converters in MATLAB and asked the students to do the same in the MATLAB. Duration of the workshop was two and half hour. Speaker also cleared doubt asked by the students for another half an hour. The session was more interactive.

Participants – IV year, III year EEE students & M.E student around 21 students were gained the knowledge
