EIE department pleased to submit a report on the successful conduction of the Virtual Alumni Meet for the students of Electronics and Instrumentation Engineering (EIE) and Mechatronics Engineering, which took place on the 27th of December 2023 at 3:00 PM. The event was organized to connect current students with alumni, providing valuable insights into real-time industrial needs and fostering opportunities for collaboration.

The meeting commenced at 3:00 PM with a warm welcome address by the coordinator, Dr. Janani.R. An ice-breaking activity was conducted for the alumni students, creating an engaging atmosphere for interactions. The Head of the department Dr.T.Lakshmibai shared notable achievements of the department during the academic year 2022-23 and delivered a brief, insightful talk to our esteemed alumni. Additionally, an overview of the programs offered by our University, including Honors Programmes in various Engineering domain and other value-added programs, was presented. Also, a special talk was given by Invited guest Mr. V.Swaminathan about the features and job opportunities of EIE and Mechatronics Engineering.

During the alumni meet, distinguished alumni shared their experiences and provided valuable advice to current students. They addressed real-time industrial needs and highlighted areas where the present students should concentrate and work hard to excel in their careers. Furthermore, several alumni generously offered to facilitate industrial visits and internship training opportunities for the current students within their respective companies, enhancing the practical exposure of our students. Notably, the staff members of the department actively participated in the event, contributing to the success of the Virtual Alumni Meet.

The meeting created a platform for open dialogue and knowledge exchange between alumni and current students, fostering a sense of mentorship and guidance. Despite 38 students expressing interest, only 25 members attended the virtual meet. Nevertheless, the meeting was considered highly successful, achieving its objectives of knowledge sharing, networking, and collaboration. The event concluded with a vote of thanks proposed by Dr. N.C.A. Boovarahan, expressing gratitude to the management for granting permission to organize the virtual alumni meet.

In conclusion, we would like to extend our sincere appreciation to the University Management for their support and permission to conduct this impactful event. We believe that such initiatives contribute significantly to the overall growth and development of our students.

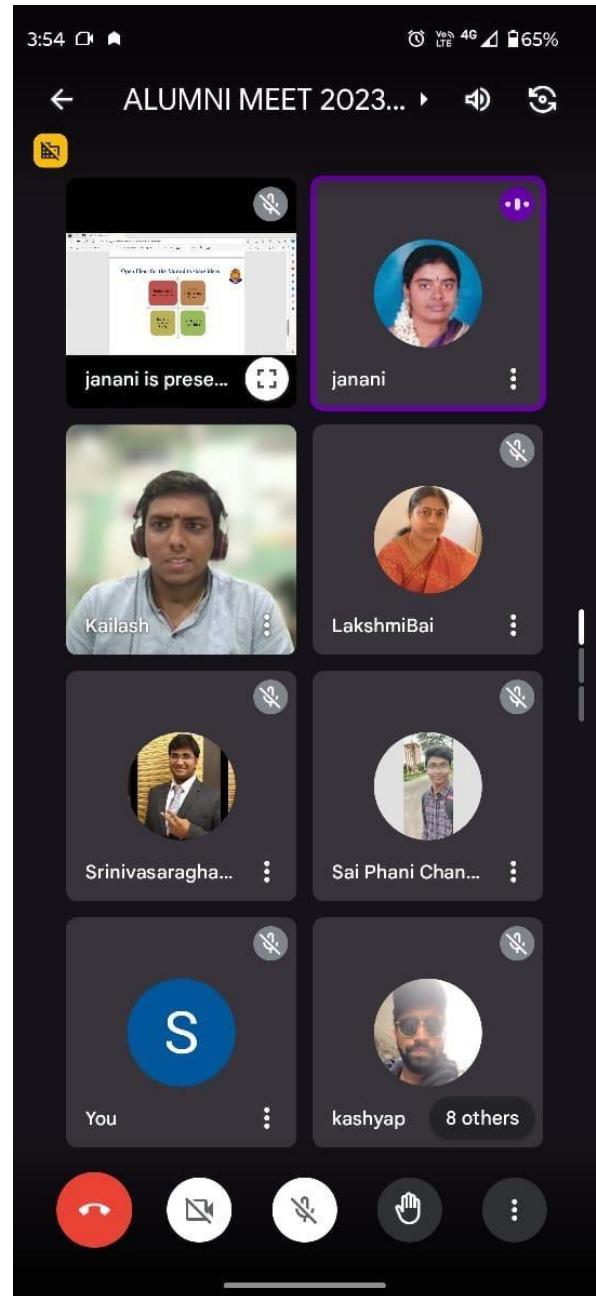

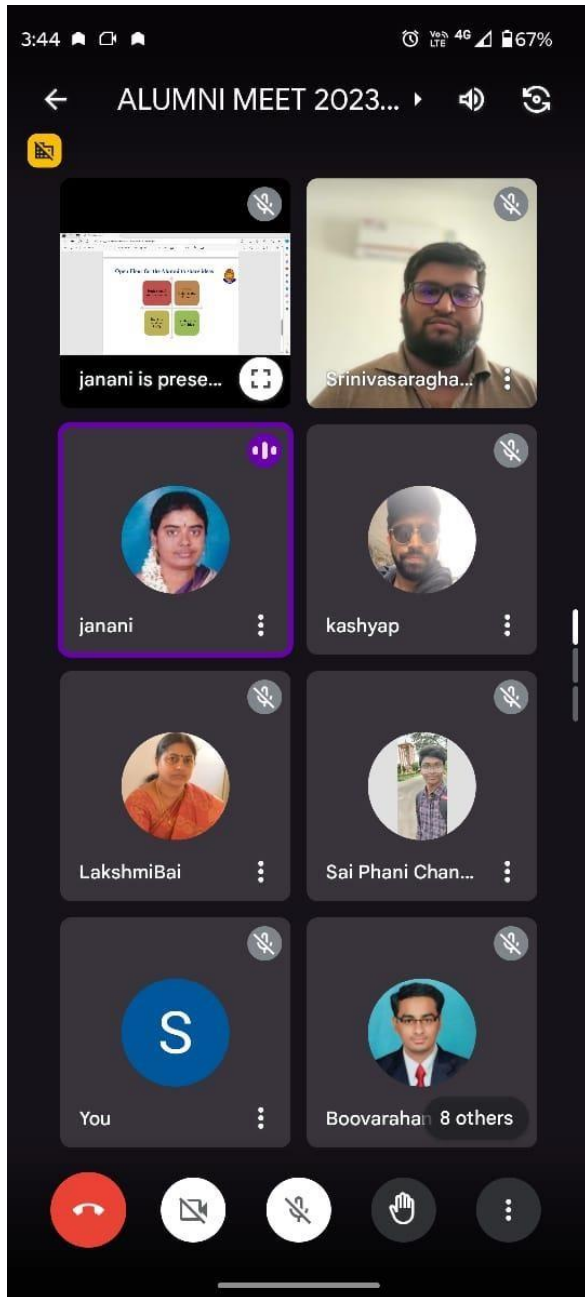

### ALUMNI MEET SCHEDULE

Time	Agenda	
3.00 PM	Welcome Address	Dr. Janani. R Assistant Professor, Dept. of EIE
3.05 PM	ICE Breaking Activity	Dr. Janani. R & Dr. N. C. A. Boovarahan Assistant Professor, Dept. of EIE
3.15 PM	Sharing the achievements 2022-23	Dr. T. Lakshmbai Head of the Department Dept. of EIE
3.20 PM	Insightful Talk	Dr. T. Lakshmbai Head of the Department Dept. of EIE
3.30 PM	Special Lecture by Invited guest	Mr. V. Swaminathan, Chennai City Office SCSVMV
