Voter's Day Celebrations

January 25th, 2024

Viksit Bharat initiatives aim to enhance various facets of Indian society through education, skill development, and community engagement. These initiatives may include programs for rural development, vocational training, environmental sustainability, and healthcare awareness. The overarching goal is to contribute to the holistic development of individuals and communities, fostering a positive impact on the nation as a whole. Observing Voter's Day as part of the Viksit Bharat initiative at SCSVMV involves promoting civic awareness, organizing voter registration drives, and conducting informative sessions to empower students with electoral knowledge. It aligns with the broader goal of fostering responsible citizenship and active participation in the democratic process.

Celebrating Voter's Day as part of the Viksit Bharat initiative involves conducting awareness campaigns, workshops, and interactive sessions to educate people about the importance of voting, electoral processes, and civic responsibilities. The aim is to empower citizens with knowledge, encouraging active participation in the democratic system and fostering a sense of civic duty for the betterment of the nation.

On January 25th, 2024, the Department of Commerce celebrated Voter's Day with an address by Dr. Hema Narayanan.
