

Report on Engineers' Day Celebration

Date: October 4, 2023

Venue: Department of Mechanical Engineering, SCSVMV University

Coordinators: Dr. P. Vithya (HOD i/c), Dr. R. Vinayagamorthy, Dr. S. Vijayabhaskar

The Department of Mechanical Engineering, SCSVMV University celebrated Engineers' Day on October 4, 2023, with a variety of events, including a CAD contest, an invited talk, and a paper presentation competition.

The CAD contest was a test of students' skills in computer-aided design. The participants were given a design challenge and had to create a 3D model using CAD software. The contest was judged by a panel of faculty members.

The invited talk was delivered by Mr. S.M. Kalaipriyan, Director, Free Tech Café Technologies and Alumni of SCSVMV. Mr. Kalaipriyan spoke about the importance of entrepreneurship and the benefits of starting up earlier in one's career. He shared his own experiences of starting and running a successful technology company.

The paper presentation competition was an opportunity for students to showcase their research on emerging topics in mechanical engineering. The participants presented their papers on a variety of topics, including robots in space, flexi fuel, IoT, rocket engines, hybrid electric vehicles, and remote sensing and GIS. The papers were judged by a panel of faculty members.

The Engineers' Day celebration was a success, with a large number of students from various departments such as Civil, Mechatronics & CSE participated in the various events. The events provided students with an opportunity to learn from industry experts, showcase their skills, and network with their peers.
