Dr.Anbuthambi raised a query as to what would be the target audience for such a course and whether students will be willing to take up such courses. In response, the Chairman explained that demand for such courses is on a rise and opportunities are increasing on account of initiatives of the Endowment Ministry. There is high demand in privately managed and run temples for people with this knowledge. Dr.Lalitha Balakrishnan too said that the opportunities would be aplenty in foreign countries where our temples are built and run.
