

International Seminar

On

SUSTAINABLE DEVELOPMENT OF THERMOELECTRIC MATERIALS AND DEVICES

Department of Physics

09.09.2024 | 11.30 am | Online
@ Department of Physics, SCSVMV

WELCOME ADDRESS

Dr. M. Sundarrajan
Asst. Professor & Head,
Department of Physics, SCSVMV

PRESIDENTIAL ADDRESS

Prof. Dr. K. Venkatramanan
Dean - Faculty of Science
SCSVMV

EXPERT TALK

Prof. Vaithyanathan Karthikeyan
Senior Lecturer, School of Science and
Technology,
HKM University, Hongkong

VOTE OF THANKS

Mr. V. Akshaya Shiva
Asst. Professor of Physics
SCSVMV

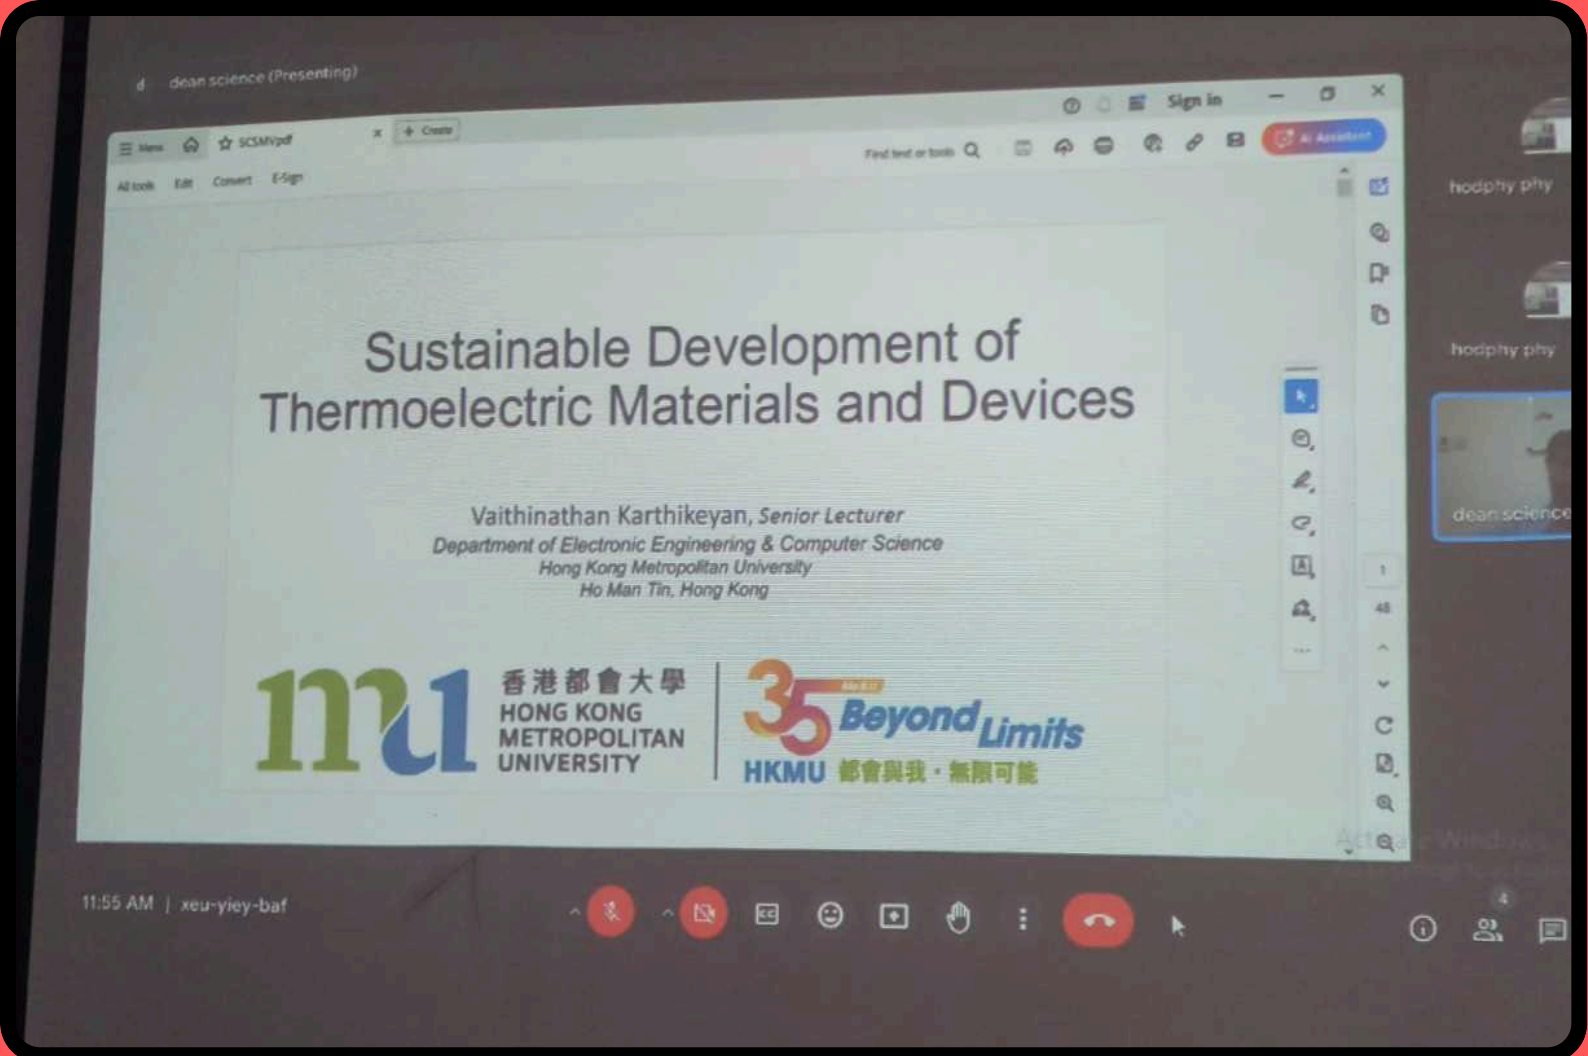

ALL ARE WELCOME

**Sri Chandrasekharendra Saraswathi Viswa
Mahavidyalaya**

(Deemed to be University u/s 3 of UGC act 1956)
(Accredited by NAAC with 'A' Grade)
Enathur - 631 561, Kancheepuram, Tamilnadu, India

The department of Physics, SCSVMV, organised an international seminar on "Thermoelectric materials and devices" on September 9, 2024,. The keynote address was given by Dr. Karthikeyan Vaithinathan, School of Science and Technology, HKMU, Hong Kong. His address highlighted the significance of sustainable development of thermoelectric materials and devices. His insightful presentation delved into the latest advancements and innovations in the field, emphasizing the importance of eco-friendly approaches.

Prof. Dr. K. Venkatramanan, Dean of the Faculty of Science, SCSVMV delivered presidential address. His remarks underscored the relevance of the seminar's theme and encouraged participants to engage in meaningful discussions. Dr. M. Sundarrajan, Head of the Dept. of Physics convened the seminar and welcomed the attendees. He expressed his gratitude to the speaker, participants, and organizers for their contributions to the event's success. Mr.V.Akshay Shiva, Asst.Professor of Physics delivered the Vote of thanks.
