## **Report on Parents-Teachers Meet Held on 09/08/2024 at the Department of EIE, SCSVMV**

The Department of Electronics and Instrumentation Engineering (EIE), SCSVMV, conducted a Parents-Teachers Meet on 9th August 2024. The meeting was organized to facilitate interaction between the parents of first-year Mechatronics students and the faculty members of the EIE department.

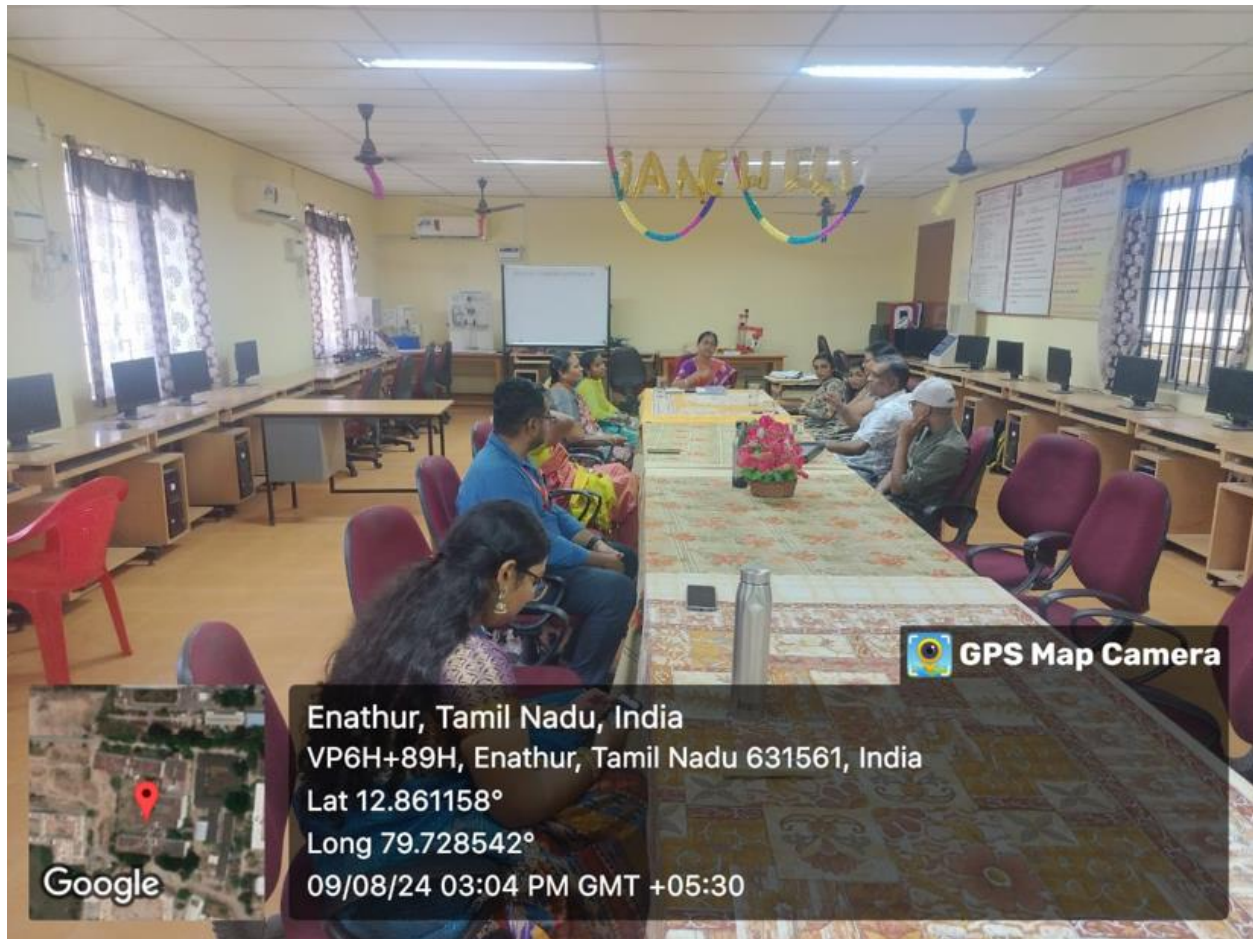

The event commenced with a welcome address by Dr.T.Lakshmibai, Head of the Department of EIE. Dr.T.Lakshmibai presented an overview of the Mechatronics Engineering curriculum, emphasizing its interdisciplinary nature and the scope it offers to students. She also provided a detailed explanation of the state-of-the-art laboratories and facilities available in the department, which support the practical learning experience of Mechatronics students. Furthermore, she

highlighted the department's commitment to fostering a holistic educational environment, ensuring students are well-prepared for their future careers.

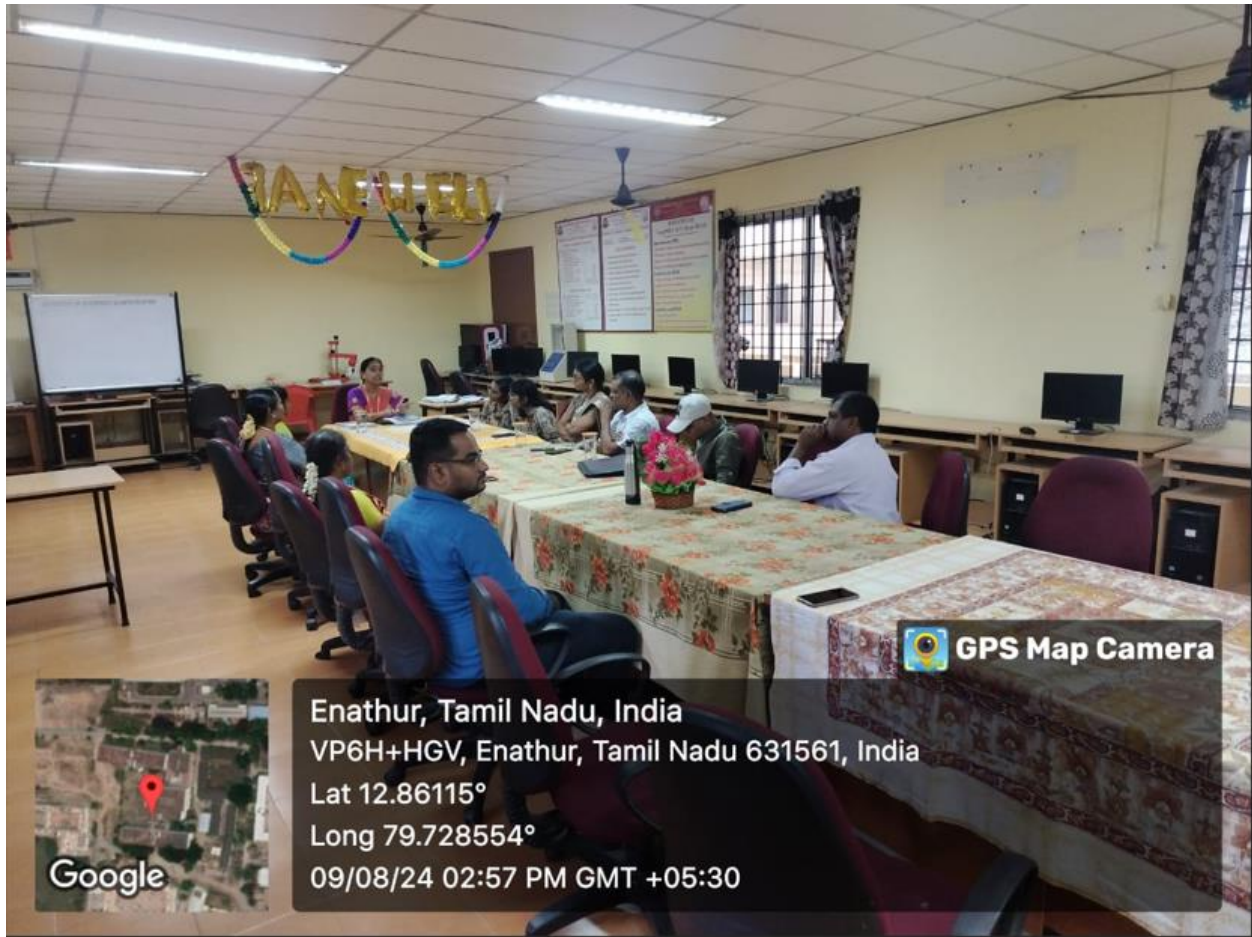

Following the HOD's address, the session was opened for questions and feedback from the parents. Parents raised concerns and queries related to placements and career opportunities for Mechatronics students. These concerns were addressed by faculty members from the Mechatronics department, including Dr.K.Saraswathi, Dr.K.Sugapriya, Dr.T.Sundar, and Dr.N.C.A.Boovarahan. The faculty provided comprehensive responses, explaining the various opportunities available to graduates, the department's efforts in maintaining industry connections, and the initiatives taken to enhance the employability of the students.

The session concluded with a positive note, as the parents expressed satisfaction with the information shared and the efforts made by the department in ensuring a robust learning environment for their children. The meeting fostered a sense of collaboration between the faculty and parents, aiming for the continuous improvement of the academic experience for the students.

Overall, the Parents-Teachers Meet served as a productive platform for open dialogue and reinforced the commitment of the Department of EIE to support and guide its students in their academic and professional journeys.
