TALK ON MACHINE LEARNING AND ITS APPLICATIONS

On March 2nd, the Computer Science and Engineering organized a leadership talk on Machine Learning and its applications by Dr. Madhuri Gopal. The event took place in the library hall of the university from 11 am to 1 pm. The event began with a prayer song. The Associate Professor of the CSE department, Dr. P. Shanmugapriya, Welcomed the students and guest speaker with her welcome address, as a sign of respect and appreciation for speaker's expertise and contribution to the event. The introduction to the speaker was given. Additionally, Dr. P. Shanmugapriya, Associate Professor honoured the keynote speaker with a shawl and Dr. C. Sunitharaman, Assistant Professor CSE department, felicitated the speaker with a memento.

Dr. Madhuri Gopal is an expert in Machine Learning with over 9+ years of experience. She has worked with various multinational corporations and has experience in a range of Machine Learning-related roles, including data analysis, algorithm development, and model building. She has also served as a mentor and coach to young professionals and students interested in pursuing a career in the Machine Learning industry.

During the lecture talk and interactive session, Dr. Madhuri Gopal provided insights and practical tips on how Machine Learning is transforming the world and the opportunities it presents for those interested in this field. She discussed various Machine Learning applications such as natural language processing, image recognition, predictive analytics, and more. She also highlighted the importance of data quality and the ethical considerations that must be taken into account when using Machine Learning.

Dr. Madhuri Gopal provided specific tips and advice on how to develop skills in Machine Learning, including online courses and practical projects. The session was well-attended, with nearly 80 CSE students participated in the event. Overall, the event was a great success, providing valuable insights and practical tips to students who are interested in Machine
