Webinar on Building a career in Cyber security

The Department of Computer Science & Engineering was organized a Webinar on “Building a career in Cyber security “on 18.04.2024 at 10.00 am

Resource person	:	Mr.Ganesh(Alumni) Senior Application Security engineer, Qualitest,Bangalore
Name of the Staff Coordinator	:	Dr.M.Saraswathi Assistant Professor, Department of CSE, SCSVMV
Meeting Link	:	https://meet.google.com/wmn-ybuc-sbp
Participated	:	Totally 50 Students from III rd,II nd &I st Yr

The primary objective of the session was to provide the significance of cyber security in present scenario. In today's digital age, cyber security is critical. It encompasses the strategies and measures put in place to safeguard not only our computers and networks but also the invaluable data they house. This all-encompassing shield protects against unauthorized access and threats in the vast digital landscape.

Mr Ganesh provided an overview of what is cybersecurity, Types of cybersecurity, ethical hacking, digital forensics, cloud security and explain the PortSwigger tool for web application security, testing, & scanning. The webinar enriched the knowledge of the students in the field of cybersecurity. The session is more interactive and it's very useful for the students. All the registered students were actively participated in the webinar and supported till the end of the session.
