

Orientation Programme on Basic Skills in English Language on (18-10-2022)

Department of English has organised an Orientation Program exclusively for I year Students. The program is organised for I Physics, Chemistry, Maths & Sanskrit, on the topic Basic Skills in English Language on 18th October 2022 for two hours in FN session. Mrs. G. Shanmuga Priya, Assistant professor, Department of English has acted as resource person. Students are encouraged to listen and take notes from the comprehension passages. To Improve LSRW Skills, they are directed to focus on reading and speaking, from the specific points of notes taken. In order to overcome the difficulty of pronouncing the odd words, they are motivated to participate independently. They establish their skill before the class and made the session Interactive.
