## About SCSVMV

SCSVMV strongly believes that nothing is as powerful as an informed mind and no quest is greater than a quest for knowledge. University always strives to give the finest education possible with a strong emphasis on value system. SCSVMV students are not just academic achievers but self-reliant individuals who have the values and vision to transform our great Nation.

The Viswa Mahavidyalaya was established in 1993 with the benign blessings of Their Holiness Pujyasri Jayendra Saraswathi Shankaracharya Swamiji and Pujyasri Shankra Vijayendra Saraswathi Shankaracharya Swamiji. It was formed under the aegis of Sri Kanchi Kamakoti Peetam Charitable Trust.

The goal of knowledge is the understanding of the Ultimate Truth; The first fruit of education must be humility and self control.

**Sri Chandrashekharendra Saraswati  
Shankaracharya Swamigal**

Education is a vital part of human life. Education imparts clarity on the right path to pursue and which not to. It bestows Viveka (the intelligence to discern right from wrong), leading to Ānandam. Dharmic Education - we should constantly learn about Dharma and follow it throughout our lives.
