Conduct of Personal Contact Programme Classes

The Personal Contact Programmes (PCP) for the Open and Distance Learning (ODL) courses at SCSVMV will be conducted exclusively at the university's headquarters. This ensures that all students enrolled in ODL programs have direct access to faculty, academic resources, and support services in a focused environment. The headquarters offers state-of-the-art facilities and a conducive atmosphere for in-depth learning, enabling students to clarify doubts, engage in discussions, and participate in hands-on activities. By centralizing the PCP sessions, SCSVMV aims to maintain a high standard of education and ensure personalized attention for each learner.
