

VISIT TO CHENNAI MATHEMATICAL INSTITUTE 4.4.2025

Staff and students of Physics department visited the Chennai Mathematical Institute (CMI), Siruseri, Kelambakkam on 4-4-25 . Mr.V. Akshaya Shiva , Asst. Professor of Physics, the department coordinator coordinated the event along with B.Sc. and M.Sc. Physics students. The staff and student team reached the campus by 10.00 am. During the visit a quick introduction about the Institute was given by Prof. Y Chandramouli, a distinguished visiting professor of CMI. After a tea break, Prof. Priyavrat Deshpande started the technical session. He explained the developments in the learning of Mathematics as a subject. The second session was conducted by Prof. H. S. Mani. He demonstrated some fun problems in Physics with the “think and apply” concept of the fundamental principles of Physics in day to day life. Prof. Arvind took the post lunch session on “Computing with Coin Flips”. Finally Prof. Chandramouli arranged for a campus tour and shared his knowledge nuggets over tea. The visit was an eye-opening event filled with lots of new information to the Students of III BSc and I MSc Physics. The staff and Students expressed their gratitude on receiving a wonderful hospitality. The visit came to an end by 4:15 PM and the team returned back to Kanchipuram by 6:30 PM.
