

Report on “As an Inspired Teacher, How You Can Transform Your Students for Life”

The Department of Mechanical Engineering at **Sri Chandrasekharendra Saraswathi Viswa Mahavidyalaya (SCSVMV)**, in association with **iFocus Mission**, organized a **Faculty Development Program (FDP)** on the topic “As an Inspired Teacher, How You Can Transform Your Students for Life” on **24th April 2025**. The session was conducted at the **Auditorium, Library II Floor**, from **3:00 PM to 4:00 PM**.

The convenor for the program was **Dr. S. Arumugam**, Associate Professor and Head of the Department of Mechanical Engineering, SCSVMV, and the coordinator was **Dr. S. Vijaya Bhaskar**, Assistant Professor, Department of Mechanical Engineering, SCSVMV.

The speaker for the session was **Shri Thoodi Hanumanth Reddy**, Retired RIO, RR District, TS Board of Intermediate Education, and President, Bharatha Bharathi. Shri Hanumanth Reddy, a regular resource person for **iFocus Panchatantra programs**, shared valuable insights on the critical role of teachers in shaping the lives of students.

The session was highly engaging and appreciated by the faculty members across various departments. It provided the participants with fresh perspectives on the responsibilities and profound influence educators have on student development beyond academics.
