NOTIFICATION

University Examinations – October – 2025 Session

Supplementary (Instant) examination

Notification for student Registration & Payment of Examination Fee

The University has decided to conduct a supplementary (instant) examination for passed out students (UG-Engineering-2021, PG-Part time Engineering-2022, PG-Full time Engineering-2023 batch, UG-Arts & Science 2022, PG-Arts & Science-2023 batch) who have failed or were absent, in order to prevent the loss of one academic year.

Although this opportunity will not be considered an additional attempt, any student who completes the degree through this examination shall not be eligible for the award of distinction, even if they meet the required CGPA or percentage of marks.

In the supplementary (instant) examination, passed out students will be permitted to appear for failed/absent subjects — both theory and practical — of all semesters.

The supplementary (instant) examinations will commence in the 2nd week of October.

The time-table and other details of the supplementary (instant) examinations will be notified soon in the University website and all the above mentioned batch students are asked to check the website for updates and notifications released from time to time in this regard.

The supplementary (instant) examination application forms available in the concern departments and filled applications should reach **COE section** on or before **30.09.2025**
