

Mime on Gender Equality (07.03.2025)

The School of Education in association with Internal complaint committee (ICC) organized “Mime on Gender equality” on 07.03.2025 in the Multipurpose Hall at 1:15 PM. Gender equality means women, men, boys and girls of all classes and races participate as equals and have equal value. They have to enjoy equal access to education, resources, career choices, freedoms and opportunities. Gender stereotypes should be removed and men need to involve themselves in household chores and share responsibility with women. It directly leads to gender equality. This was the message conveyed through the mime. Around 40 students and faculty members participated in the programme.
