

Webinar on Inclusive Classroom: Strategies & Tools (21.06.2025)

The School of Education successfully organized a one day webinar titled "Inclusive Classroom – Strategies & Tools" on 21st June 2025. The programme was designed to promote inclusive education practices and empower educators with practical strategies for teaching diverse learners. The session began with a warm welcome address by Mrs.J.Jayapriya, Head, School of Education, who emphasized the relevance of inclusivity in contemporary education and set the tone for the day. The resource person, Dr.Bora Sai Lakshmi, Assistant Professor, Department of Special Education, NIEPMD, Chennai shared insightful perspectives on Universal Design for Learning, differentiated instruction, and assistive technology for inclusive classrooms. Real-life examples and interactive demonstrations made the session highly engaging and applicable. Participants from various institutions actively took part in the session, enriching the discussions with questions and reflections. The event concluded with a vote of thanks delivered by Mr.R.Saravanan, Assistant Professor, School of Education, who acknowledged the contributions of the speaker, organizers, and participants for making the webinar a meaningful and impactful experience.
