

Title: I-M.Sc [PHYSICS] – Inauguration

Date: 18/08/2025

The Department of Physics, SCSVMV, organized a welcome session for the newly admitted M.Sc. Physics (First Year) students on 18th August 2025. Dr. M. Sundarrajan, Head of the Department, addressed the gathering and emphasized the importance of academic excellence, values, and discipline in shaping a successful career. Dr. R. Raja, Class Incharge (Assistant Professor), outlined the structure of the course and encouraged students to make use of the research opportunities available within the department. Dr. J. Suganthi, Assistant Professor, provided an overview of career prospects and placement opportunities, highlighting the need for rigorous preparation and active participation in skill-building activities. Mr. V. Akshaya Shiva, Assistant Professor, engaged with the students by inviting them to Students club of the Department and urged them to actively pursue both academic and co-curricular interests for holistic development. The session concluded with the message that students should approach their studies with curiosity, dedication, and a commitment to continuous learning.
