

**Title: Students SPARDHA Appreciation meeting**

**Date: 23/04/2025**

The students of Department of Physics showed exceptional performance in annual sports competition 'SPARDHAA' which led to 4 Silver medals in Boys and Girls events. Boys received medal in Kabbadi, Cricket and Carrom, whereas Girls received medal in Cricket. The events were held on 15th and 16th April. To celebrate this occasion and to further motivate students, all the faculty and staff members of the Department felicitated all medal winners and spirited performers in an Appreciation Function next day.
